MINUTES OF THE FIFTY-SEVENTH W. M. U. ANNUAL MEETING

The Fifty-seventh Annual Meeting of the Eastern Association W.M.U. was held April 6, 1966, with the Magnolia Baptist Church.

The theme of the meeting was "Come Women, Wide Proclaim." The meeting opened with the hymn, "O For A Thousand Tongues To Sing," after which Mrs. J. Henry Simpson gave the devotion using Isaiah 61. Mrs. Edwin Peterson, Association President, reported that of the thirty-nine churches, only ten received recognition last year. She urged us to improve the quality and quantity of work by enlisting more women, to pray more, and to proclaim and witness. Mrs. Paul Bass, W.M.U. President of Magnolia, gave us a cordial welcome. Magnolia pastor, Rev. Norman Aycock, extended welcome.

Mrs. Peterson recognized the Henry Simpsons, our new Associational Missionaries, and new pastors and their wives. Rev. Wayne Wheeler, appointed missionary to Honduras, gave a talk about his decision. A contribution of $95.10 was given to Mr. Wheeler as a love offering. The treasurer's report showed a balance of $284.22 in the W.M.U. treasury. Mrs. Waldo Early explained the revision of the by-laws.

Announcements were made about the following camps: Caswell, Ridgecrest and Southwood. The following committees were appointed:

Appreciation — Mrs. H. C. Cook, Mrs. Carlyle Franks, and Mrs. W. S. Wells.

Time and Place — Mrs. Charles Lee Pope, Mrs. Kenneth Nixon, and Mrs. Lloyd Norris.

Mrs. Jack Joyner reported on Sunbeam work and urged the ladies to organize Sunbeam Bands in their churches.

Special music was given by Mrs. Paul Tucker who sang, "I Walked Today Where Jesus Walked." Mrs. Albert Kaleel introduced our guest speaker, Rev. Troy Bennett, missionary to East Pakistan, now home on furlough. He said that East Pakistan is a man's world. It is a Moslem country with eight hundred people per square mile. They are a restless hungry people, a people in revolution and asking, "What does life mean?" They want to be accepted as people, to have a chance. Americans are not popular there, and right now East Pakistan will not let any more missionaries come in. We have five Baptist missionary couples there now, who are trying to answer the recurring question of "What does life mean?". Mr. Bennett said we must give them Christ now sharing Christian love with a quality of Christianity that gives real meaning to life and that gives them a purpose for living. When we become more Christian here, they become more Christian there, so let us pray, give and be really Christian here that they may know Christ there.

The afternoon session opened with the singing of the hymn, "Send the Light." Mrs. Lucille Brown led the Call to Prayer.

Mrs. David Boney reported on Y.W.A. work and urged the ladies to organize Y.W.A.'s in their churches. During the business period Mrs. Waldo Early presented the By-Laws Committee report which was adopted.

The Time and Place Committee reported that the Leadership Conference will be held in the fall, the daytime meeting with Turkey Baptist Church, and the night meeting with Poston Baptist Church. The Annual Meeting will be in April with First Baptist Church of Clinton.

The Appreciation Committee expressed thanks to the Magnolia Church for their hospitality.

Mrs. P. R. Bradsher gave the report of the Nominating Committee. The following were elected and installed for 1966-67:

President .....Mrs. Edwin Peterson

Vice President .....Mrs. B. C. Clifton

Mission Study Director .....Mrs. Henry Simpson

Stewardship Director .....Mrs. James Parker

Community Missions Director .....Mrs. John Pridgen

Mrs. J. C. Drew

Rev. Henry Simpson conducted an impressive installation service and led the prayer of dedication.

Mrs. John Fonvielle reported on G. A. work and presented Honor certificates to Honor G. A. organizations at Clinton First, Rowan and Rose Hill.

Mrs. Margaret Lloyd brought a message in song as she sang "So Send I You." Mrs. Raymond Blanchard introduced the afternoon speaker, Mrs. Lula Q. Parker, former Associational W.M.U President. Mrs. Parker gave a resume of the development of missionary work in the Eastern Association. She also reported on her trip to the Baptist World Alliance in Miami last summer. Baptists came from sixty countries with 12,000 attending. All came to praise God for great is our heritage and great is our God.

As we stood to sing the hymn "Speak to my Heart," Mrs. Peterson urged the congregation to really let the Lord speak to their hearts and follow His commands. She then closed the meeting with prayer.

Respectfully submitted,

Mrs. Edwin Peterson, President

Mrs. B. C. Lamb, Secretary

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, having been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its properity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

SUPERINTENDENT OF MISSIONS' REPORT

This year's emphasis will be a "Church Fulfilling Its Mission Through Education". When Jesus gave His great Commission to His disciples, He said, . . . "teaching them to observe all things whatsoever I have commanded you". These words of our Lord along with the example of the early church, . . . "and they continue steadfastly in the Apostles' doctrine . . ", ought to challenge us to be faithful in this matter of Christian education. It is not enough to win people to Christ, they must be loved and instructed in the doctrines of the Scripture so that they may grow more Christlike and continue to win others and teach them in the ways of the Lord.

Three coming events should be most helpful to our churches:

1. Our Fall Associational Brotherhood Worshop will be held Thursday, November 10th, at 7:30 p.m. with the Rowan Church.

2. Our Fall Associational Spiritual Growth Clinic will be held Tuesday, November 22nd at 7:30 p.m. with the Warsaw, First Church.

3. Our Associational School of Missions will be held October 22-27, 1967 (next year). Please let your missionary know when your church has definitely decided to participate in this effort, not later than December 1st.

A summary of your missionary's work is as follows:
Visited all 39 churches (also Pin Hook Mission)
Preached 39 sermons in 26 churches
Delivered 15 messages in 9 churches
Taught 4 Study Courses
Conferred with pulpit committees 18 times
Led singing in 2 revivals
Assisted Calvary Church with choir
Assisted in the Associational Youth Camp
Attended 31 Associational Meetings (12 meetings outside of Association)

Conferences: individual 300; group 23; committee 12.
Traveled approximately 15,000 miles in my work
Prepared Book of Reports, Calendar of Activities
Prepared and mailed around 250 copies of Eastern Light each month.

Mrs. Simpson has taught two W.M.U. Leadership Courses; 30 mission studies; 4 study courses (January Bible Study); was the speaker for "M" night, an Associational YWA Banquet, a GA Banquet, served as DVBS Principal, and as Missionary for the Associational Youth Camp.

We are here to serve you. We hope you will call on us when we can be of assistance.

Respectfully submitted,
J. Henry Simpson, Jr.

TRAINING UNION REPORT FOR EASTERN

We have had a very good year in the Training Union Work in the Association.

A Leadership Clinic was held on November 8th at Rowan Church for the Western part of our Association, and another Leadership Clinic held on November 9th in the Warsaw Church for those in the Eastern section of the Association. Both meetings were well attended, and were a great help to our leaders.

"M" Night was held in Clinton First Church, on December 6th with almost 300 in attendance. Mrs. J. Henry Simpson was the speaker for the evening, and brought a very good and most inspiring message. There were 15 pastors and 13 Training Union Directors present for this good meeting.

Youth Night was held on Saturday Night, March 19th in the Turkey Church. There were 80 Intermediates and Young People at this meeting. The Theme for this meeting was, "My Responsibility to Worship, to Proclaim, to Educate and to Minister". Rev. Willie Carr, pastor of the Penderlea Baptist Church brought a very challenging message to these young people.

The Associational Tournaments were held in Warsaw First Church on Tuesday evening, April 19th, at 7:30. There were 30 Juniors in the Junior Memory Work Drills and all were winners. We did not have anyone in the Intermediate Sword Drill.

There was one in the Young People's Speakers Tournament, and one in the Adult Scripture Reading. There were 9 churches represented at this meeting.

Your Director helped Union Grove start Training Union again on September 11th. All officers were elected and they got off to a good start.

My prayer is that the coming year will be the best that Training Union has even had.

Respectfully Submitted,

Charles Lee Pope,

Training Union Director

WOMAN'S MISSIONARY UNION ANNUAL REPORT

This has been a good year for Woman's Missionary Union in Eastern Association; as we have emphasized "Proclamation and Witness" in helping "The Church Fulfill It's Mission." There have been more Mission study classes, with more people reading Mission Books — thus enlarging our vision. Nine churches have reported increased gifts to missions, while other churches held their own, or slipped a little. The WMS has promoted the studying and teaching of the Missionary Messages of the Bible last year, with only a few churches participating. Prayer Retreats have been held in many churches, but oh! how we need to do more praying. Several churches have started New Organizational work during the year. A quick look reveals that we have 6 New Sunbeam Bands, 5 GA's and 3 YWA's.

We held two Leadership Conferences last fall. The day-time conference was held at Bear Marsh on October 12th, and the night conference was held at Corinth on October 21st. A total of 248 ladies came for training from 31 churches.

The annual WMU Meeting was held on April 6th at Magnolia Church with a total of 196 attending from 32 churches. Rev. Troy Bennett, Missionary home on furlough from East Pakistan, was our guest speaker. He said that East Pakistan is a Moslem Country of restless, hungry people, a people in revolution, who are constantly asking the question; "What does Life mean?" They want to be accepted and have a chance. We have 5 Missionary couples there who are trying to answer this recurring question. Rev. Bennett reminded us that we must give them Christ now, by sharing Christian love that gives them a real purpose for living. He concluded his message by saying "When we become more Christian here, they become more Christian there, so let us pray, give and be really Christian here, that they may know Christ there.

Mrs. Lula Q. Parker was the guest speaker for the afternoon. She gave a resume of Missionary work in the Eastern Association. She also reported on her trip to the Baptist World Alliance in Miami. She stated that Baptist came from 60 countries with 12,000 attending, and all came to praise God. For Great is our heritage, and Great is our God.

The YWA's held an Associational Banquet at Warsaw Baptist Church in February with 75 people attending. Mrs. Henry Simpson was guest speaker.

Two Associational Rallies were held this year, one at Grove Park and the other at Sharon, with 250 attending. Rev. Neal Payton, State Missionary to the Deaf, was guest speaker. He brought an inspiring message and reminded us that deaf people need Christ too.

Now for our recognition: Certificates were awarded to 8 Honor GA's, namely; Rose Hill (1), Rowan (2), and Clinton First with (5) Honor GA's and (1) WMS. Eastern Association WMU also obtained Honor recognition which makes the third consecutive year.

Mrs. Henry Simpson taught a Leadership Course at Ingold, Warsaw and Mt. Olive Churches. A total of 155 ladies obtained their Leadership Cards.

Woman's Missionary Union is proud of its contribution to our Associational Youth Camp at Southwood College this summer. Fifteen of our ladies served as teachers and counselors.

Yes, WMU is a great organization with a great task to perform in helping "The Church Fulfill It's Mission Through Education," in the year 1966-67. We do accept the challenge, for we are truly "Laborers Together with God."

Respectfully submitted

(Mrs.) Edwin Peterson

WMU President

EVANGELISM REPORT

This seems to be the age of rebellion. People everywhere are rebelling against constituted authority. Rioting mobs cover the streets at night in our large cities, firing guns at random and throwing fire bombs with precision. Lawlessness seems to be the order of the day. Man is bewildered and doped with despair. He searches for the answer but it seems to elude him.

Do we have the answer? We can positively say that we do have the answer. God's answer is in the New Testament Churches, preaching the Gospel of Jesus Christ, preaching both by precept and by example. We must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit.

God's answer to the critics and persecutors of the Church has been the hot and holy fires of revival. From pentecost to the last real revival in the local church, God's answer has been conclusive and complete.

Southern Baptists attention is directed to the Crusade of the Americas in 1969. Twenty-one countries are cooperating in the Crusade. We must get ready. Our God is a God of planning and purpose. Now is the time to get every church committed to the Crusade date for 1969.

We shall continue with our calendar of evangelism month by month, including our annual simultaneous, individual church and area revivals.

Respectfully submitted,

R. A. Thompson

COOPERATIVE PROGRAM REPORT

The Cooperative Program is a plan of Southern Baptists that embraces all causes of World Missions, and should have the prayerful support of all of our churches in trying to reach a lost world with the Gospel of Jesus Christ.

We are witnessing the greatest missionary advance in Southern Baptist history in missionaries being sent, benevolent work done, and training of young people for world wide service. This advance is being made through our missionaries, orphanages, schools, homes for the aged, and our Baptist hospitals. Through the Cooperative Program you literally feed the hungry, clothe the naked, heal the sick, and preach the gospel to the far corners of the earth.

We are making progress in our concern for those Jesus came to seek and save. Each year more of our churches are increasing Cooperative Program giving, and at the same time others are beginning whole hearted participation.

Several Associations in North Carolina have 100% of their churches giving through the Cooperative Program. According to available records, our Association gave a total of $ this past year through the Cooperative Program. number of churches did not share in world missions through the Cooperative Program.

With enthusiasm let us be faithful in worshipping with our tithes and offerings, and our churches sharing regularly through the Cooperative Program for the benefit of a lost world.

RECOMMENDATIONS

We recommend:

1. That every church plan a stewardship program to subscribe and thoroughly promote the church's budget.

2. That we engage regularly in prayer for the Cooperative Program causes and give special emphasis to prayer for these needs during the October Cooperative Program Prayer Emphasis.

3. That the churches give regularly through the Cooperative Program.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

As we continue to build upon foundations already laid, special attention is being given certain areas of child care. An already strong program of group care is being strengthened at Mills Home, Kennedy Home and Odum Home. A good degree of progress has been realized in working with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for preschool children, conducted on the Mills Home campus, has had an excellent first year of operation. Churches throughout the state are studying the program and facilities preparatory to providing similar services. Prospects are encouraging for a home for children in the western part of the state more adequately to serve the needs of our people who live west of the Blue Ridge Mountains. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering is approaching three hundred fifteen thousand dollars (315,000.00) and is the largest ever. Special gifts and designations such as the Once-a-month offering continue to provide a substantial part of our income. Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services of the Baptist Children's Homes. Roger Williams, former pastor of the Mills Home Baptist Church, is devoting full time to working with our Baptist people in this area, and he or other members of our staff will count it a privilege to assist you in exploring this field of Christian stewardship.

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Reflection on the past year of life in our four Baptist Homes for the Aging is a reminder once again of the goodness of the Lord to us. We are constantly aware of the bountiful way in which He has blessed us, and this has been particularly true since our last report to the good people in our Baptist Associations.

During this time we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists, through the Special Day offerings, received on the third Sunday of February each year, and through our share in the Cooperative Program. The large majority, at least 85%, have benefited directly from these gifts and have actually been sustained at the point of their financial need.

The Special Day offering for 1966 is at an all time high and looks as if it might be $100,000.00 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that even though there has been a 5% increase in the offering from last year, costs have advanced by 7%.

We are in the midst of miracles, and the past year has been one in which we have witnessed unusual blessings from the Lord. There have been fewer deaths than previously, and the critically ill, in many instances, have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and your gifts go in ministering to the needs of the residents, particularly at the point of tender loving care in illness.

Perhaps the outstanding paradox in all of our Homes is that the first resident to receive a Medicare card, during the first year of the operation of Medicare, is our oldest resident, who never takes any medication at all and who does not need to see a doctor, or go to the hospital. She is Aunt Fannie Drumwright, who celebrated her 105th birthday in July.

It is anticipated that construction will begin on our fifth Home at Yanceyville during the coming year, and when it is completed, we will be able to minister in all of our Homes to 200 older men and women, and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers and the increased financial support of North Carolina Baptists. We are, therefore, going to count heavily on you and believe that you will not disappoint the aging people who are looking to you urgently for help.

BAPTIST HOSPITAL REPORT

Our Baptist Hospital and Medical School are a center of healing for body, mind and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course the Hospital simply cannot continue this way. ing this year. Of course the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information to your people and help to lead them to give serious consideration to the Hospital's vital ministry and its urgent need.

REPORT OF THE BIBLICAL RECORDER

Many important issues are facing North Carolina Baptists. Churches are making decisions on the Life and Work Curriculum, especially whether to use the Life and Work Sunday school lessons or the Uniform Lessons. For a period of at least six month, the RECORDER will run both lessons as a service to our churches.

In our state, changing conditions are raising serious questions about the fate of almost every institution we support. In the near future Baptists will have to decide our future course in higher education, and in our Social Service institutions, especially in view of increased government participation in these areas. The RECORDER will present the issues and possible choices open to us.

In the Southern Baptist Convention there is talk of a name change. The work of our Baptist colleges is being studied as never before. A great Crusade of the Americas is in the planning stages. All of us need to know about these developments.

In addition to issues within our own denomination, new and disturbing clouds are on the horizon elsewhere. Talk of a New Morality, the so-called Death of God Movement, and the drastic changes in young people's attitudes toward the church are being widely discussed. Christians need to be informed on these trends.

A drive is taking place in North Carolina for liquor by-the-drink. The 1967 General Assembly will consider such proposals and Baptists need a dependable source of information so they can act when necessary. The RECORDER will give on-the-spot coverage.

Instead of merely receiving this as a report, please take definite action to see that the RECORDER goes to every family in your church membership. All of us know that the RECORDER is just as important as other literature which our churches distribute, if not more so. No other publication can take the place of the BIBLICAL RECORDER.

In these inflationary times, it is refreshing to have something that is not out of reach financially. Under the CHURCH BURGET PLAN, the RECORDER is available for $2 a year — the same price it was more than 100 years ago. Your church will be a stronger church with every family receiving our state paper each week. Don't delay this important decision, especially in view of the issues facing North Carolina Baptists in the coming year.

BAPTIST FOUNDATION REPORT

This has been a good year in Baptist Foundation work and we are eternally grateful to each one of you for having a part in promoting the work of the Foundation.

We are indeed grateful to the pastors of this state for the wonderful cooperation they have accorded the Baptist Foundation. They have encouraged us greatly by furnishing the names of individuals who may be interested in the Foundation; they have invited us to their church to speak on various occasions; they have been most generous with their time in discussing with us the problems, programs, and purposes of the Foundation whenever we had the opportunity to discuss it with them. Many of our lay friends, lawyers, bankers, trust officers, and other interested individuals have given of their time and have helped us materially in promoting our work.

Assets of the Foundation have increased during the past year and at the last accounting, around December, the total assets of the Foundation had reached approximately one million dollars including our real estate. A large number of our people are setting up memorial funds, trust agreements, annuity agreements, and are using other services provided by the Baptist Foundation. We believe we are organized in such a manner that we can answer most any request an individual makes of us, either through the church or as an individual, if he will make his wishes known to us. By this I mean that we can visit him individually and explain the work of the Foundation and how he may participate in it, or we can go to any group meeting that would provide an opportunity to discuss will making, and uses of the Foundation.

We covet your prayers for this work, and hope that in the future you will make use of the facilities of the North Carolina Baptist Foundation, Inc.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

The Associational Sunday School sponsored two major events during the past year. The first was an Associational Sunday School Preparation Week at Immanuel Baptist Church. There were 163 enrolled for the week, with an average attendance of 122. This represented 13 churches and there were 71 credits earned.

The second event was the Associational Vacation Bible School Clinic held at Calvary Baptist Church, on May 3. 162 Workers attended the conference with 27 churches represented, and 13 pastors. The clinic was held at night only and showed a marked increase over previous day-night clinics.

It has been a privilege to serve as your Associational Sunday School Superintendent for the past year and I wish for you and your new officers many blessings for the future.

ANNUITY BOARD REPORT

The Southern Baptist Protection Plan

The Southern Baptist Protection Plan provides benefits for age, disability and widow. Cost for the protection is based on the minister's salary, and is 10 per cent of any amount up to $4,000 a year. The minister's church is encouraged to pay the total cost. In some cases the minister and church share the cost. The maximum amount a church can pay in the basic plan is $400 a year if its minister is under 60 years of age.

The Health Benefit Plan

Enrollment has reached 10,054 in the Health Benefit Plan. During the past year, promotional emphasis has been placed on this plan.

The Health Plan is an all-inclusive program of hospital, surgical and major medical benefits. Enrollment is open on a semi-annual basis. The next enrollment will be open early in the fall with the deadline on November 30, 1966.

Benefits Paid

In 1965, almost $4 million was paid in age retirement, disability or widow benefits to annuitants through the Annuity Board's protection program. The annuitants' checks vary in amounts, depending on the length of time each was a member and the amount of dues he paid.

Since the beginning of the Annuity Board in 1918, almost $51 million has been paid out in benefits which annuitants have termed "manna from heaven."

Members In Annuity Board Plans

Today more than 16,660 churches are providing protection through the Protection Program for their ministers. Approximately 10,764 of these churches are paying the 10 per cent dues.

There are 135 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other Convention agencies who have protection programs with the Annuity Board. There are more than 28,000 members in the retirement plans of the Annuity Board.

In our own Eastern Association, we have only 26 out of 39 churches providing protection for their ministers through the Protection Program. Only 15 of our 39 churches are paying the 10 per cent dues for their pastors.

This is a matter that our other 24 churches should give attention to this year!

There are seven states with 70 per cent or more of the churches in the Program. At present, North Carolina has 48 per cent of the churches in the Protection Program for ministers.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27603, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

As of now, approximately 600 young men and women who expect to give their lives to one of the Christian vocations are enrolled in the North Carolina Baptist colleges. These include: pastors, chaplains, directors of religious education, directors of church music, home missionaries, foreign missionaries, institutional workers, denominational workers, teachers, and many others.

The above figures represent the Cooperative Program income budget for the Council on Christian Education and the seven North Carolina Baptist colleges for 1966. In addition to this, each college will share in an anticipated Cooperative Program overage of approximately $120,000. For 1966 the Cooperative Program income for the seven Baptist colleges represents an endowment in excess of $35,000,000. **This guaranteed annual income is an important factor in maintaining accreditation.** The Cooperative Program has been called the lifeline for the North Carolina Baptist colleges. An advance for the Cooperative Program is always an advance for Christian higher education.

Christian Education Day

We are grateful that more churches each year are participating in the observance of Christian Education Day, which is always on Father's Day, in June. There are two objectives in observing Christian Education Day: to afford each church an opportunity for the congregation to become better acquainted with the contribution of our Baptist colleges to the denomination; to provide an opportunity to make an offering over and above the regular Cooperative Program giving. This offering now amounts to more than $100,000 and could very easily go to $200,000, with the cooperative of our Baptist churches. We urge every church to observe Christian Education Day in 1967.

Presidents Retiring

Dr. Hoyt Blackwell, Mars Hill College, and Dr. Carlyle Campbell, Meredith College, retired at the close of the school year, 1966. Dr. Leslie Campbell, Campbell College, has announced his retirement as of June, 1967. Too much could not be said for the contribution which these men have made to the cause of Christian Education. They have been appropriately honored by their institutions, the Baptist State Convention, the Council on Christian Education and the **Biblical Recorder.**

Two New Presidents Elected

The fine Christian men, both of whom have served as deacons in Baptist churches, have been elected to head Mars Hill and Meredith Colleges. Both of these men possess the highest Christian and educational qualifications. Dr. Fred Bently, formerly dean of the College of Arts and Sciences, University of Louisville, is the new president at Mars Hill College, and Dr. Bruce Heilman, formerly vice president of Peabody College, is the new president at Meredith College.

A special committee is at work at Campbell College to recommend Dr. Leslie Campbell's successor.

Emphasis on Christian Vocational Workers

The Council on Christian Education, at the July meeting on the campus of Chowan college, voted unanimously to engage in a special study on the Christian Vocational workers.

Concern is being felt throughout the Convention because of the general decline in the number of young people choosing a Christian vocation. Two of the main emphasses of this study will be: (1) The most effective way that the Baptist colleges, the State Convention, and the local churches can join hands in enlisting more young people for the Christian ministry. (2) How more financial assistance can be made available to these students.

Council Publications

Since the Associations met the last time, **A Manual for College Trustees** was published in both hardback and paperback. The demand for the manual has exceeded expectations. It has not only been purchased by most of the Baptist colleges in the Southern Baptist convention, but other denominational colleges and some private and state-supported institutions have requested copies. The second edition of the manual is expected to be printed sometime around the first of the year.

The Council self study, "A Statement of the Aims and Objectives of Christian Higher Education," has been published and distributed to pastors and other Baptist leaders in North Carolina. More than 600 copies of this booklet have been sent, upon request, to schools and denominational leaders outside of the state.

Baptist Education Study Task

The Baptist Education Study Task, under the leadership of Dr. Rabun L. Brantly, Executive Secretary of the Education Commission, and Dr. Albert McClellan, program director of the Executive Committee of the Southern Baptist Convention, will complete its work at the second national conference on Southern Baptist Christian higher education, to be held in June, 1967, Nashville, Tenn.

Three regional seminars will be conducted again in North Carolina in 1967. They will be held in the Raleigh area, the Winston-Salem area, and the Asheville area. Accreditation, its meaning and necessity, will be one of the Central themes of the seminars this year.

Seven areas related to Christian education are being studied: the philosophy of Christian Education, academic scope, religious scope, the Christian College teacher, financing Christian higher education, college-denominational relationships, academic freedom, and academic responsibility.

Following the June conference in Nashville, the Findings Committee is expected to make its final report.

AMERICAN BIBLE SOCIETY

For 150 years the Christians of America have shared the good news of the Gospel with people all over the world by aiding the American Bible Society in its efforts to bring the Scriptures to every human being in his own mother tongue. Southern Baptists are among the 70 denominations contributing to the support of this non-profit organization (the largest in the United States today).

Even though Southern Baptists contribute the largest denominational support to the work, the average gift per member of a Southern Baptist church amounts to less than 2c per year for this great helper organization.

The urgency of Scripture needs all over the world demand that the American Bible Society distribute at least 75 million copies a year. This means that the Society must do as much in the next ten years as it has done in its first 150 years.

Billions of people in the world today are reading the atheistic literature of the Communists. Christians must be concerned about getting the true Word of God into their hands.

The American Bible Society offers 3,000 dedicated translators throughout the world today. As a result, at least one book of the Bible has been translated and published in 1,250 languages and dialects. However, there are still more than 1,000 languages and dialects into which not even a portion of the Bible has been translated.

American Bible Society sells every portion of Scripture below cost, and when necessary, gives it away entirely without cost. Over 47 million

copies of the Scriptures have been given to the US Armed Forces in 149 years of distribution. Almost a million Scriptures for the sightless peoples of the United States have been provided during 130 years since American Bible Society began this ministry.

This is the YEAR OF THE BIBLE, 150th Anniversary of American Bible Society. Find some way to share the Scripture in your own community during this coming year. There are special editions published by the Society to meet every need, to fit every ministry. Write American Bible Society, Broadway at 61st Street, New York City, 10023, and ask for a free catalog and other helpful information.

Send your gifts to the American Bible Society through your State Convention, marked "American Bible Society".

The Resolutions Committee of the Eastern Baptist Association recommends that we, the messengers and visitors of the One Hundred and Thirty-Ninth Annual Session of the association express our sincere appreciation to the following persons and agencies:

First, to God, our Heavenly Father, for his mercy and blessings upon us. Second, to the pastors and congregations of the First Baptist Warsaw, Calvary Baptist, Alum Spring, Garners Chapel, and Bear Marsh Baptist Churches for the gracious way they have served as our hosts for the sessions of the association. Third, to our moderator Rev. Millard M. Johnson, to our Clerk Rev. M. S. McClain, and to all other associational officers for their capable and faithful service.

Fourth in a special way we express thanks to our associational missionary, Rev. J. H. Simpson, Jr. and his wife for their devotion and untiring efforts to promote the work of the association.

Fifth, to the program committee for the excellent program, and for all who presented it, especially to our guest who came from other sections of the state.

We further recommend that we dedicate ourselves anew in this age of social, moral, and racial revolution to the Lordship of Jesus Christ, so that He can use us as His ambassadors in the work of reconciling the world unto God.

CONSTITUTIONAL CHANGE

Article 14, Section III, number (12) reads in part, as follows "The Camp Committee shall be composed of (4) four members with the W.M.U. President serving as chairman."

It is moved that the above statement be changed to read as follows: "The Camp Committee shall be composed of four (4) members, with the W.M.U. and Brotherhood both being represented on the Committee." The remainder of the paragraph to remain as printed in the Constitution.

REPORT ON YOUTH CAMP

Little did I realize what would be expected of the Youth Camp Committee when we were elected a year ago to promote such a Camp. It did not take long to find out that much was to be done if we were to have one.

Mrs. Edwin Peterson who was elected as chairman of this committee began calling meetings of the committee. At first it seemed as if it would be an impossibility to have a Camp. A questionaire was sent to all the pastors to feel out the sentiments of the churches. The results were discouraging. But we were determined not to give up. We believe that God was on our side for at the moment when we hardly knew what to do, we had a request from the Bladen Association to permit them to come with us with their group for the Youth Camp. This was an answer to prayer.

A committee from the Bladen Association met with our committee upon our request. From that meeting the picture changed. A new determination was born in the members of our committee, and with a concerted effort from the two Associational Committees, great things began to happen. Reservations began to pour in from the churches of both Associations. By the time for camp, we had 230 reservations and about 25 workers. We had a total of 255 Campers and Counselors for a wonderful week at Southwood College. There were 12 professions of Faith, 2 Commitments to church related vocations and many rededications. (Except for the Camp Director who was new at the job we had wonderful help and cooperation.) I would say that it proved to be a most successful week for everyone who attended.

I would like to quote a letter received from Mrs. Eugene Gaskins, Associational W.M.U. President of The Bladen Association and a member of the Camp Committee: "Dear Brother Hinson, It was a very rewarding experience for our Camp Committee from Bladen Association to cooperate with your Eastern Association Camp Committee in promoting and projecting a Youth Camp at Southwood College. We were well pleased in the warmth of Christian fellowship we felt in sharing this Camp. Our sincerest and deepest gratitude goes to your entire Camp Staff for the dedication in which they planned, and worked with our boys and girls. In your report to the Eastern Association, we would like for you to let your people know of our acknowledgement of gratitude. I rejoice in the accomplishments made."

Our Youth Camp was completely self supporting this year, with even a balance in the bank, to be used in promoting camp for another year.

I would like to express my personal appreciation to everyone who assisted in this most worthwhile program of providing for our boys and girls. It is my hope that next year, we may have an even larger and better youth camp.

Jasper Hinson

MINUTES OF THE 58th ANNUAL MEETING OF THE WMU

The Fifty-Eighth Annual Meeting of the Eastern Association WMU was held April 12, 1967, with the First Baptist Church, Clinton.

The theme for the meeting was "Growing for Christ." The morning session opened with Mrs. Edwin Peterson, President presiding, with the hymn "O Master Let Me Walk with Thee." Mrs. Tom Shaver of Mt. Olive led in the devotion. Mrs. Gerald Culver extended greetings and a welcome to the people.

New pastors and wives were given a welcome and visitors recognized. Mrs. Peterson appointed the following committees: Time and Place: Mrs. Alene Goodson, Mrs. Ben Johnson, Mrs. D. C. Clifton; Appreciation: Mrs. J. R. King, Mrs. Carlisle Franks, Mrs. Ruth Hopper.

The roll was called with 272 in attendance. The treasurer's report was given and adopted.

Mrs. R. L. Blanchard made a motion to add to the "W. L. Crumpler Memorial Fund" $124.40 which was received in a free will offering. It was carried. A motion was made and carried to adopt the budget. Mrs. Peterson reported that the Eastern Association WMU achieved honor recognition in 1965-66 for the fourth consecutive year. She urged all to strive to grow for Christ.

Mt. Olive Church was the only church to report all its organizations to achieve some recognition. Mrs. Jane Kaleel made Sunbeam report. She urged all to a greater interest in day camps and other phases of Sunbeam activities.

Special music was rendered by Mrs. Edward Fowlar. Mrs. Graham Elmore introduced our morning speaker, Rev. Ernest Glass, Missionary to Malaysia, who brought a most challenging message. He used doll, cloth and other materials to show how the people look and dress. He said Malaysia was a man's world, as women do the work. Mr. Glass used John 4:31-38 as a basis for his message. He said never before has there been such opportunities and challenges, exceeded only by the needs. No longer will business as usual do. The world will not wait. Religion as usual will not be enough." He mentioned the population explosion. Buddhism and Islam religions are as aggressive as they ever were. Christians are free to practice but not free to propagate. Muslims are free to propagate but not free to change. Communism is making an all out bid for the people. Nearly half the people of the world live under the hammer and sickle. The fields are white. Modern communications will not let it wait. People are not isolated or cut off. Radio and television keep one from being limited to his own area. We come into contact with people and ideas from all over the world. Opportunities are unlimited. Our world will not wait. It's up to us now."

Mr. William Jones, Pastor, closed the session with prayer and the meeting adjourned for lunch.

AFTERNOON SESSION

The afternoon session opened with the singing of the hymn "Send the Light". Mrs. G. E. Drew, Associational prayer director, led the call to prayer. Mrs. David Boney reported on YWA work, using a group of YWA girls from the Poston Church.

The "Time and Place" committee reported that the Leadership Conference will be held in the early Fall. The Annual Meeting will be at the Calypso Church in April 1968.

The "Appreciation Committee" expressed thanks to the host church for their fine hospitality.

Mrs. Hubert Peterson gave the report of the Nominating Committee. The following were elected and installed for 1967-68:

"Christians grow by spiritual nourishment from God's Word, fellowship with Christ and with other Christians, and by exercise of Christian talents." She reminded us that tragedy or failure can be a means of spiritual growth. "We can help others to grow by our helpfulness and kindness and pleasant smiles." She challenged us to keep on growing for Christ.

The hymn "Wherever He Leads I'll Go" was sung by congregation and Mrs. Edwin Peterson closed the meeting with prayer.

Respectfully submitted,

Mrs. Edwin Peterson, President

Mrs. B. C. Lamb, Secretary

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, having been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

SUPERINTENDENT OF MISSIONS REPORT

"As you go—Minister" is the emphasis this year in our Southern Baptist Work. Jesus said, "even as the Son of Man came not to be ministered unto, but to minister and to give His life a ransom for many." Ministering to the physical and spiritual needs of men characterized our Lord's ministry on earth. If we are true followers of His, we must follow His example and make our ministry for Him revelant to the needs of suffering humanity today. Neglect to do this is to fail Him who has called us to be His faithful ministers.

Two coming events deserve our earnest prayers and best efforts: 1. Our Associational School of Missions will be held this month—October 22-26 in thirty of our churches; 2. The date of our participation in the Crusade of the Americas in March 16-30, 1969.

Your Missionary has engaged in the following activities during the past year: preached 38 sermons in 22 churches; delivered 6 messages in 6 churches; taught 3 study courses; preached in two revivals in Association with three professions of faith; conferred with Pulpit Committees 24 times; assisted in 3 churches with the music; assisted in Associational Youth Camp; participated in the ordination service for Coy Wood; moderated 1 church business meeting; participated in the dedication service of 2 churches; promoted School of Missions in 5 churches; participated in Rowan Associational School of Missions; attended 35 Associational Meetings and Committee Meetings (17 meetings outside our Association); conferences held: individual 508, group 33, committee, 19; traveled 16,563 miles in the work of the Association; prepared Book of Reports and Calendar of Activities; mailed out 270 copies of the Eastern Light each month.

Mrs. Simpson taught 29 Mission Studies; brought 3 inspirational messages; taught 2 January Bible Studies; taught 1 study course; led Associational DVBS Clinics for Principals; led 8 prayer services; served as Bible School Principal for Warsaw, First; assisted in Associational Youth Camp.

Mrs. Simpson and I are grateful for your support of Associational Missions. Let us pledge our best for the Master as we begin another year of service together.

Respectfully submitted,
J. Henry Simpson, Jr.

62. The report of Brotherhood Nominating Committee was submitted by Rev. J. Henry Simpson. The report was adopted.

63. The report of the Nominating Committee was submitted by Rev. J. Henry Simpson. The report was adopted.

ASSOCIATIONAL TRAINING UNION REPORT FOR 1966-1967

We had a very good year in our Training Union work throughout our Association this year. We have not had any new ones to organize, but I don't think we have lost any.

Your Director attended several State meetings throughout this year, and tried to get some new ideas that would help our Association in the training field. Again this year, we had several highlights in our work.

The first was "M" Night held at Clinton First Church with almost three hundred in attendance. The date of this meeting was December 5, 1966. There were 20 churches represented at this meeting with 17 pastors and 14 directors. This was a fairly good average for the 39 churches in our Association, but it should have been better. Rev. W. M. Jones was the speaker for this meeting, and brought a very inspiring message.

The next highlight was our Youth Night Meeting at Rose Hill Church on Saturday night, March 18. We had about 75 Young People and Intermediates at this meeting. A good time was had by all who attended. We thank God for Bro. Lamar Eiland who planned the program for this meeting and presided over it. I hope that more of our Young People will plan to be at Youth Night next year.

Our Associational Tournament Meeting was held at Garland Church on Sunday afternoon, April 2, at 3:00 p.m. The attendance at this meeting was very good. We had some participating in about all the drills. How grateful we are to all workers who led people in preparing themselves for their part in these drills.

Let me say thanks to the Association for allowing me the privilege of being your Director for the past two years. As I step down this year, I pray that God will bless the one who will be leading us in the new year.

WOMAN'S MISSIONARY UNION ANNUAL REPORT

This has been a good year for Woman's Missionary Union in Eastern Association, as we have emphasized "Education" in helping "The Church Fulfill Its Mission". There have been more mission study classes, with better attendance, and more people reading mission books. One associational mission study class was held at Warsaw, with Mrs. Henry Simpson teaching the book "The Woman's Missionary Union Program of the Church'". The WMS has promoted the studying and teaching of the missionary message of the Bible, but only a few churches have participated. Prayer Retreats have been conducted in some of the churches with good results reported, while other churches missed this blessing. Several churches reported new organizations during the year as follows: six new Sunbeam Bands, 4 G. A.'s and one Y. W. A.; two new Circles.

Two Leadership Conferences were held last fall. The daytime conference was at Johnson Church, and the night conference was held at Poston. A total of 184 ladies came for training from 32 churches.

The Y. W. A.'s held their fall council meeting at Magnolia Baptist Church. Mrs. W. S. Wells, Jr. was guest speaker. Then in February the Y. W. A.'s held their Associational Banquet, at Clinton Baptist Church, with Mrs. Loleta Powell as guest speaker. She told of her trip to the Orient, and showed slides which inspired and challenged the group.

Our Annual W. M. U. meeting was held at First Baptist Church, Clinton, in April with a total of 272 attending from 33 churches. Rev. Ernest Glass, Missionary from Malaysia home on furlough, was the guest speaker. He said, "We have a golden opportunity in Malaysia, now. Religion is not enough, only Christ is sufficient. Communism is making an all out bid for Malaysia, Christians should do no less, but we must act now." Mrs. Gilmer Cross, First Vice-President of the State WMU, was guest speaker for the afternoon. She based her message on "Growing for Christ". She stated that Christians grow by spiritual nourishment from God's Word, fellowship with Christ and other Christians, exercise of Christian talents and strict obedience to and practice of spiritual laws. She challenged us to grow like Jesus.

Two Associational GA Rallies were held this spring — one at Dobson's Chapel and the other at Mt. Olive Baptist Church with 275 attending. Mrs. R. H. Gordon, Missionary to the Philippines, brought an inspiring and challenging message.

Two Basic Leadership Courses were taught this year. The Sunbeam Leadership Course was held at Mt. Olive Baptist Church with Miss Bernice Popham, State Sunbeam Band Director teaching. Then in April, the G. A. Basic Leadership Course was taught at Warsaw, First by Mrs. A. L. Stancil, State G. A. Promotional Chairman. 39 ladies obtained their Leadership Cards.

Now for our recognition: Certificates of Honor were awarded to four G. A. groups, namely: Clinton, First (2), Shiloh and Calvary, one G. A. each, Clinton, First YWA, and Warsaw WMS. Eastern Association also obtained Honor recognition which makes the fourth consecutive year.

Woman's Missionary Union is proud of its contribution to our Associational Youth Camp at Southwood College this summer. Eleven of our ladies served as teachers and counselors.

Yes, Woman's Missionary Union is a great organization, but it has a great task to perform in helping "The Church Fulfill Its Mission". We accept the challenge, because we are "Laborers Together with God".

Respectfully submitted,
(Mrs.) Edwin Peterson

EVANGELISM REPORT

This past year the churches of our association baptized 279 persons. This represents a ratio of one baptism for every 26.77 members. We are grateful to God for every person who has been brought to confess Jesus Christ as Lord. We call upon our churches to give themselves to the work that brought Christ from heaven to earth, evangelism. Evangelism is the heart of our churches' existence. Evangelism must be a two-pronged thrust. We must publicly proclaim that Gospel, that is the power of God unto salvation, and we must personally win others to Christ. "Every Christian, a Witness" must be more than a slogan, it must be a reality in our lives.

We were greatly helped by our associational clinic and look forward to our 1968 meeting.

Our churches face a tremendous evangelistic challenge in the Crusade of the Americas. This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-'69 and '70. Our churches have been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER: Two days of prayer, January 14, 1968, and January 12, 1969: PACT: A program of "prayer partners" with individuals, groups, and churches on the "Other Americas" initiated in July-August 1968; Watch Night Prayer Service, December 31, 1968.

NATION-WIDE SEARCH FOR PROSPECT: May-June-July-August 1968.

NATION-WIDE VISITATION WITNESSING: September-November 1968.

NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: March 16-30; April 6-20; April 27-May 11, 1969.

NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION: Following the Crusade of the Americas Revivals. Study of book "Daring Discipleship" and launch new member orientation.

SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY: January 1 - December 31, 1970.

Adequate guidance material for cooperation with and in preparation for the Crusade of the Americas is provided for us in the 1967-68 Evangelism Plan Book already available to us and in the 1968-69 Evangelism Plan Book which will be available after July of 1968 from Division of Evangelism, 301 Hillsborough Street, Raleigh, North Carolina 27603.

COOPERATIVE PROGRAM REPORT

For the past forty-two years, Southern Baptists have been sharing the Gospel through the Cooperative Program. The Cooperative Program is the same as the budget in the local church. It is the budget of the denomination. It is the support of all missionary causes at home and abroad.

The Cooperative Program should have the support of all of our churches in this great task of Kingdom Endeavor. As our people worship with their tithes and offerings from Sunday to Sunday, a part of this income should be channeled as a part of the budget of the denomination; which is the Cooperative Program.

Last year North Carolina Baptists gave $5,787,311 through the Cooperative Program. Supplementing this with Special Offerings amounting to $2,897,639; we had a total of $8,684,950 for all mission causes.

According to records available, our association gave $44,395 during the last year for World Missions through the Cooperative Program.

RECOMMENDATIONS

We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.

(2) That special emphasis be given to prayer for Cooperative Program causes during October.

(3) That each church give regularly through the Cooperative Program.

(4) That in response to the special call of the General Board of the Baptist State Convention we increase our Cooperative Program giving by at least 10% during the coming year.

Respectfully submitted,

R. A. Thompson

NORTH CAROLINA BAPTIST HOMES FOR THE AGING
1967 ASSOCIATIONAL REPORT

Our North Carolina Homes for the Aging has increased the gracious ministry of loving care to our older people again. We are ready to move into our new Home at Yanceyville and receive 30 more dear old people into the family of the Homes. When the Yanceyville Home is occupied, our fifth, we will have a total of 200 deserving older men and women receiving the care of North Carolina Baptists.

As you know, we now have four Homes and an Infirmary in operation. Resthaven, and the Hayes Home in Winston-Salem; the Albemarle Home at Albermarle; the Hamilton Home at Hamilton.

We count this an eternal investment and can rejoice in the loving care which we are rendering to our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. The two sources of income from the churches are increasingly vital to the support of the Homes — the Special Day Offering, received on the third Sunday in February, and the share received from the Cooperative Program.

EASTERN BAPTIST ASSOCIATION
Map by Eugene B. Hager
January 1962

This is not the work of an institution alone — it is a cooperative enterprise. It is a ministry in which we as churches and individual Christians join hands with those who serve in our Medical Center. If this service is made available to all our people who need it, we of necessity have to provide much of the means, for there are many who cannot pay for it. This is a wonderful opportunity when we by simply giving our money can share in so important a service to our brother in need — and even hear a "Well done", for "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

In our Association this year, we have increased our gifts to our hospital over last year by 20.5%. Our goal was 40% which means that we need an additional $365.00 to reach this goal. There are four churches in our Association which have not sent in their Mother's Day offering. With one exception, all of these made a contribution last year.

It is hoped that these churches which have not yet sent in their contribution will do so immediately that the suffering people of our land may be helped and we will have done our part.

T. B. Deese

1967 REPORT OF THE BIBLICAL RECORDER

Does your church have a definite plan for getting information on the Baptist world-wide mission effort to your church members?

Is there any definite plan to acquaint the membership with Baptist doctrine and policy?

Do your members have any way of knowing what other churches are doing and what is being done through cooperative efforts?

Is there any systematic plan for placing good Christian literature in the homes?

Do your deacons and church officers have a regular source of information as they shape the policies of your church?

Is there a planned way to get accurate information and helpful suggestions to your church leaders?

The simplest and most economical way to get all this information into the homes of your members is through the BIBLICAL RECORDER. Under the Church Budget Plan, this can be done for only 4c a week.

Consider just one thing the RECORDER did this year: In reporting accurately and courageously the doings of the General Assembly in Raleigh, the RECORDER performed a significant service for Baptists, as well as other denominations. A number of daily newspapers, including the Charlotte Observer, credited the RECORDER with being a major factor in the defeat of a liquor by the drink bill. But we cannot sit back and relax. Supporters of liquor by the drink have warned that they will be back to push their cause in the 1969 General Assembly. The RECORDER will be there to keep you posted and to urge you to act.

As another example of service to its readers, the RECORDER is continuing to run both Sunday school lessons — the Uniform lessons and the Life and Work Curriculum Lessons. Outstanding writers have been secured to do these lessons.

In addition to the weekly ministry in nearly 89,000 homes, the Recorder editor now writes a weekly religious newscast which is heard on more than 75 stations throughout the state. The Radio-Television Commission produces and distributes the program. This is another opportunity to spread the good news of the Gospel.

Nothing else can take the place of the BIBLICAL RECORDER in Baptist life. If you doubt this, try it in your church.

Eastern Association has nine churches with Church Budget Plans with a total of 780 subscribers. Twenty-four churches have Recorder Clubs with a total of 312 subscribers. This makes a total of 1092 Recorder subscribers in our Association.

Glen Holt

BAPTIST FOUNDATION REPORT

This has been a most fruitful year in the work of the Baptist Foundation, with many new commitments and marked progress in developing some of the projects of large standing. This is especially true of the new Home for the Aging in Yanceyville, which you will hear more about in the report on the Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom enterprises.

However, 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman, Dr. I. G. Greer, has been critically ill at his home in Chapel Hill. Some weeks ago our Executive Secretary, Dr. C. Gordon Maddrey, was stricken with a series of heart attacks and has remained in critical condition in Rex Hospital.

We covet your prayers for these two fine workers, and also for the Baptist Foundation.

Respectfully submitted,
Charles E. Pope

SUNDAY SCHOOL REPORT

There were two Training Schools for teachers and workers held in our Association during the past year.

A Central Training School for all Sunday School teachers and Extension workers was held at the First Baptist Church, Clinton, January 23-26. Many of our churches were represented at this clinic which was very helpful for all who attended.

Then in August 14-16 a Training Clinic for Nursery, Beginner, and Primary workers was conducted at the Sharon Baptist Church, Chinquapin. It was reported that this was a most helpful clinic for those who took part.

We have given a great deal of thought and preparation to our work for next year.

Your present Superintendent, the nominee for Superintendent next year, and your Associational Missionary attended the Briefing Meeting which was held for all Associational Officers in Winston-Salem on August 25.

As a result of this meeting, and other personal conferences, we have made plans for more training clinics to be held next year in order to meet the need for more trained leadership in our Sunday School work. Area clinics within the Association will be held in order to get more of our churches involved in the work.

One of the concerns in our planning and work next year will be preparations for the "Crusade of the Americas" which will be held in 1969.

May I take this opportunity to urge all our churches to prayerfully join with me in supporting our Associational Sunday School work next year in order to make our plans result in more effective work through every Sunday School in our Association.

Respectfully submitted,
Norman Aycock

MISSIONS COMMITTEE REPORT

The Missions Committee met once each quarter and received reports from and approved the reports of our Missionary.

The Committee gave unanimous approval for Pastoral aid requested by the Calvary Church, and which was approved by our Associational Council. The request, amounting to $100 per month (July through December this year) was approved by the General Board of our State Convention in its meeting of July 10-11. This aid is being received by Rev. M. A. Conrad, Calvary pastor and enables him to give full time to this field.

The Committee approved financial assistance for the Baptist Student Union at Mount Olive College. During the year this assistance amounted to $75.00. This B. S. U. is sponsored by the Mount Olive First Church.

Our Committee has assisted our Missionary in plans for and promotion of our coming School of Missions, October 22-26. Thirty of our churches will be involved in this effort under the direction of our Missionary.

The committee suggests that each church enter into a prayerful concern for the purpose of establishing a mission work within our Association.

It is only fitting that we remind all of the faithful service of our Missionary and his devoted wife. For more than two years, Rev. and Mrs. J. Henry Simpson, Jr. have given of their time and energy in a sincere effort to help us in all phases of our Associational work. We are more grateful for them, as we know them better for their many dedicated talents and unselfish service to any church or individual who needs their assistance.

John Flake, Chairman

ANNUITY BOARD REPORT

The new Southern Baptist Protection Program — Response to the new program of family and retirement protection during the first quarter of 1967 indicates enthusiastic acceptance by ministers and denominational employees. During the first three months of 1967, more than 1,000 persons joined some part of the three-plan program as compared with only 685 during the first quarter of 1966.

The new program, called the Southern Baptist Protection Program, provides additional benefits for disability, new benefits for children, education of children and dependent parents. These extra benefits are in Plan "A".

The new Protection Program incorporates the three plans into one certificate, which formerly required separate certificates for each plan. The three plans are: Southern Baptist Protection Plan, which is now Plan "A"; Age Security Plan, now called Plan "B"; and Variable Benefit Plan, now Plan "C".

Annuitants Receive Dividend Check — Because of action taken by the trustees of the Annuity Board in February, each person receiving guaranteed benefit from the Board was mailed a "dividend" check. This year each check was for an amount equal to one-twelfth of the person's annual benefit. These checks were made possible because of excess interest earnings. Approval was given to mail these dividend checks annually, providing the Board realizes an excess in interest earnings.

Benefits Paid Out — In 1966 more than $4,256,244 was paid in age retirement, disability or widow benefits to persons who had participated in the Protection Program. The checks vary in amounts, depending on the length of service and the amount of dues paid into the Program by the member.

10 Per Cent Total Salary Encouraged — The cost of living continues to climb. A retirement program based on $4,000 salary is no longer adequate to meet the need of a minister when he retires. There seems to be no hope of a leveling off of the inflationary trends. Because of this, the new Protection Program was started so churches could help their pastors increase their retirement protection. Now a church may participate on the total salary of its pastor or other employees. Ten per cent dues on total salary are recommended as minimum.

Members in Annuity Board Plans — As of December 31, 1966, some 1,492 persons had joined Plan "A" of the Program. A total of 18,328 churches were providing the Protection Program for their ministers and staff members. Almost 12,600 of these churches were paying both member and church dues.

The last report, October 1, 1967, shows that only 27 of our churches in the Eastern Association provide this wonderful support for their pastors, and we might say for our own protection. This leaves 12 of our churches not in the Plan. Do you care enough to do something about it?

Write or see Rev. Guy Cain, 301 Hillsborough St., Raleigh, N. C. He will help you get started in the right direction.

Respectfully submitted,
Waldo D. Early

REPORT ON CHRISTIAN EDUCATION

Gardner Webb	1,262
Mars Hill	1,371
Meredith	930
Wake Forest	3,022

The Baptist State Convention supports three senior colleges, one university and three Junior colleges. These schools train the vast majority of our church vocational leaders. However, it is important to note that fewer young people are answering God's call to full-time Christian service. Could it be due to lack of encouragement and to lack of fervent prayer in the lives of Christians around them in their daily lives?

Our colleges are not just for training full-time Christian workers. They also are educating laymen for service and work in their communities.

The Cooperative Program supplies vital financial support for our colleges. In 1967 an amount of $1,578,960 has been budgeted. This amount will be given only as each local church and each individual Christian returns his tithe, and brings his offerings into God's storehouse. We pray that you will do your part!

We find changes of Presidents at Wake Forest University, with Dr. H. W. Tribble resigning and Dr. Ralph Scales from Oklahoma taking up the task in his stead. At Campbell College, Dr. Norman Wiggens, former Professor of Law at Wake Forest, begins serving as President in the place of Dr. Leslie Campbell.

Christian Education Day is being recognized in more of our churches if we can rely upon the requests for special Emphasis materials for this important day. We hope more young people will be inspired and challenged to seek Christian vocations.

Fruitland Baptist Bible Institute at Hendersonville is doing much to train Baptist men and women who have answered God's call. Much of our State Mission Offering this year is going to help support the work at Fruitland this year.

The Council on Christian Higher Education with offices in the Baptist Building at 301 Hillsborough St., Raleigh, N. C. 26703, is ready to help you with information about any of our Baptist colleges upon request. The Council will also furnish speakers on Christian Higher Education if needed for special meetings.

You will be welcomed as a visitor in the Council office. Pray and give for support of Christian education.

AMENDMENT TO THE CONSTITUTION

After study by a committee appointed by the moderator, it is believed desirable that a change be made in our Constitution that will give the different nominating committees of our work the authority to fill any vacancies which may occur during the year in any of the organizations. Those affected are the Sunday School Nominating Committee, the Training Union Nominating Committee, the Brotherhood Nominating Committee, and Nominating Committee of the Association.

The proposed amendment is that the words "and to fill any vacancies which may occur during the year" be added at the end of each paragraph, sub-sections (7), (8), (9), and (10) of Section III of Article 14.

YOUTH CAMP REPORT

Youth Week at Southwood College of Salemburg, N. C. was a memorable occasion this past year the week of June 26-30. We had 224 boys and girls from Eastern and Bladen Associations to enroll for the week. These were led by 22 picked workers from the two associations. It proved to be one of the best weeks possible. One of the pastors in evaluating the occasion said, "I have been in many Youth Week Camps but this was the best planned, the most efficient and rewarding camp I have ever attended." A wonderful spirit was manifested by everyone. Much preparation was made before camp opened and on the very opening day we were off to a running start. The leaders had made thorough preparation before coming to camp. Instead of asking churches to send an adult as a counselor we selected the leaders upon recommendations of pastors, W. M. U. leaders and individuals. We sought out a particular person for a particular service. This proved to be most helpful.

I would like to express my own personal appreciation and I am sure I speak for the entire Eastern Association to Rev. Lamar Eiland, Rev. B. C. Lamb and Mrs. Edwin Peterson of our association and to the committee members of the Bladen Association for their untiring efforts in helping plan for this Youth Week of Camp.

One of the highlights of the week was "Consecration and Decision Night". There were some 75 rededications, 25 commitments for life-time vocations and 23 professions of faith. Many of the young campers were saying "This has been a most wonderful week and one we will never forget." For the first time in my life's experience with youth camps I saw many regretting to see the end of it come and wishing they could stay another week.

This next year it is my hope that we may extend the age limit to 16, taking those from 9 to 16 for the week. We tried to make this one a camp that boys and girls could attend even though a church may not have either a G. A. or R. A. organization. It was a most rewarding experience to have some who had not been a part of either G. A. or R. A. organizations. It is our hope that this next year will provide even more for such youngsters.

We are also happy to report that we were self-sustaining again this year. Even though room and board had increased $2.00 over the previous year we only increased the cost by $1.00 over the previous year. This is our financial standing as of now: Money on hand at beginning of year—$307.46. Money received for camp this year—$3,297.00. Total on hand and received—$3,604.46. Money paid out for Youth Camp expenses—$3,363.05. Money on hand September 1, 1967—$241.41.

BROTHERHOOD REPORT

Brotherhood work among Southern Baptists is an attempt by the churches to fulfill their mission through education of their men and boys, and involvement of them in the activities of Christian Missions. This type of Christian education has a rich history which reaches back to the ministry of Jesus in the New Testament.

The Great Commission emphasized teaching to instruct new converts to Christianity in order for them to become witnesses for Christ. In its fullest sense, Christian education stresses the importance of the spiritual development of every member of the church. Men have always, and rightly so, had an important place in this effort. This has been true of laymen as well as pastors.

To represent our Lord in society, a layman must be a man of God, equipped to meet the challenge of the world in an efficient manner, spiritually and practically ready for any service to which his Master may call him. To be able to hear a positive witness for Christ demands preparation and training. This Baptists are trying to provide the men and boys of our churches through Brotherhood and Royal Ambassadors.

In our association we may view the situation with both optimism and pessimism. Four new Brotherhoods have been organized during the past year, and we now have thirteen, with a membership of nearly 350 men. The Royal Ambassador program has shown an increase also. For this we are deeply grateful and wish for each to make a real contribution to the spiritual life and Christian testimony of the churches. But there are still twenty-six of our churches that do not have these organizations. This is a cause for concern, and we need to make it a matter of earnest prayer and effort that the potential manpower of our churches be fully realized in the cause of world-wide Christian missions.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society shares the concern for world-wide missions which Southern Baptists are expressing in plans for the Crusade of the Americas and World Missions Year in 1969. The entire program of Bible Society work is founded on these basic missionary principles:

1. People must have the Bible because it presents Jesus Christ, the one hope of men and nations.
2. Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.
3. The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary.

But, there is a world-wide shortage of Bibles, because in most countries, people cannot afford even the cost of printing the Scriptures.

The American Bible Society is a world-wide missionary organization. It is an active partner in Southern Baptist work. It helps missionaries translate the Bible. It publishes the Scriptures without note or comment and distributes them without profit, often without any charge. For the blind, it supplies Scriptures in Braille and other raised-letter systems, Talking Bible records and recordings.

A program of advance is being carried on by the American Bible Society in cooperation with 34 other national Bible Societies around the world. Its aim is to provide greatly increased quantities of Scriptures urgently need for mission work.

During 1966 the American Bible Society—

—rejoiced that some part of the Bible has been published in 1,280 languages; the full Bible in 240, a Testament in 301 more, A Gospel or other complete book in 739 more — but still counted over 1000 more languages in which not one book of the Bible has yet been published.

—gave more than 500,000 Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals.

—produced, in several languages, Scriptures in everyday speech. Outstanding among these is "Good News for Modern Man", the Today's English Version New Testament, translated by the Society's translation department.

—set new records by distributing 39,981,620 Scripture volumes in the U. S. A. and a total of 61,815,238 volumes, in over 400 languages, in some 150 countries.

Southern Baptists Support the Work

Because the Bible Society serves mission work—and Southern Baptist missionaries depend on the Society for Scriptures they need for their people—Southern Baptists believe in the missionary importance of giving to the American Bible Society.

In 1966 Southern Baptist Churches gave $233,896 to the American Bible Society and ranked first among all denominations. Gifts from all churches in the U. S. A. totaled $1,472,307.

Has your church given this year? Please send gifts to your Baptist state office marked "for the American Bible Society."

RESOLUTIONS COMMITTEE REPORT

We, the 140th Annual Session of the Eastern Baptist Association, extend our heartfelt gratitude to those who have made this meeting such a meaningful occasion.

1. To the Kenansville Baptist Church, Jones Chapel Baptist Church, Corinth Baptist Church, Teachey Baptist Church and their pastors for the gracious way they have served as our hosts for the sessions of the association.

2. To the program committee for their careful planning of the details which made for the efficient handling of business and the setting for a worshipful and inspiring agenda.

3. To our moderator Hugh Ross Williams, and vice moderator J. A. Johnson, and our clerk M. S. McLain for their orderly and efficient service.

4. To our Superintendent of Missions, J. Henry Simpson, for his love for us and patience with us in leading us in the work. To our Baptist State Convention representatives for their inspiring and challenging messages.

5. To God, our Father whose presence with us has given purpose and guidance for our every undertaking.

We further recommend that we commit ourselves anew to the purpose and will of Almighty God that He might use us effectively in His service.

Be it resolved, that the chuches, led by their pastors, continue to do all that we can to instruct our people, young and old, as to the dangers of alcoholic beverages.

Respectfully submitted,
M. M. Johnson
Raymond Blanchard
Glen Holt, Chairman

MINUTES OF THE 59th ANNUAL MEETING OF THE WMU

The 59th annual meeting of the Eastern Associational WMU was held on April 2, 1968 with the Calypso Church.

The meeting took on a new format this year, in that the first session was called to order at 5:00 in the afternoon with Mrs. Edwin Peterson presiding in the absence of the president, Mrs. H. O. Lanning, whose husband was critically ill at the time.

The theme for the meeting was "My Church Ministering in Love". The scripture used was "Love Demands My All", Mark 12:30. Mrs. R. A. Thompson led the congregation in singing Love Divine, All Love Excelling, after which Rev. Thompson called the group to prayer, praying especially for the missionaries. The Mt. Olive WMU presented the devotional using various women to read scriptures, sing hymns and thus the meeting was begun in a very reverent spirit.

The matters of business was concise and disposed of quickly inasmuch as members of various committees which had been appointed were listed on the back of the program bulletin. Proper recognition was given to the pastors and visitors. Those registered indicated that 230 were in attendance with 34 churches represented. The report of the treasurer was given and adopted. It was noted with pride that the Eastern Associational WMU had again achieved Honor recognition for work done by the local churches.

The afternoon session was dedicated to the youth organizations with Sunbeams Girl's Auxiliary and Young Woman's Auxiliary reports being presented by each of the leaders. In the absence of the Sunbeam leader, Mrs. Peterson laid on the hearts of those present the need of adequate leadership in this area. Mrs. John Fonvielle gave a good account of the work of Girl's Auxiliary and presented some of the girls in the areas of special achievements. Mrs. Wells assisted by some of the YWA's told of what they had done during the year and gave an excellent report of the YWA convention which was well represented by our association.

Completing the afternoon session, Mrs. Henry Simpson gave a report of the State Convention and gave a preview of some of the changes to be expected with the coming of the new church year.

The Calypso church served a delicious supper to the guests present, and the evening session began at 7:30 and this year various pastors were used in the prayer period and devotional meditations. Rev. E. L. Eiland led the prayer for the opening of the evening session.

Our guest speaker was Rev. W. T. Roberson, missionary to Vietnam. He stirred our hearts as he related the progress of work being done by Southern Baptists in this war-torn country. He mentioned that it costs a great deal to be a Christian in such a country and despite the beauty of the land and the loving concern of missionaries one lives in danger daily. He and his family are at present in the States because of the illness of a child. They hope however, when his health permits that they will be permitted to return to their work in and around the Saigon area of Vietnam.

Our stewardship chairman, Mrs. James Parker, spoke of Love's demand on us as Christians and our responsibility to be faithful stewards of every area of life. Mrs. John Pridgen, chairman of mission action, pointed out that Love's demands are the driving force behind our desire to be of service in our community. She also gave a preview of new mission actions groups. The prayer chairman, Mrs. Cottle, was hospitalized during this meeting and was unable to attend, however, mention was made that Love's demand of our prayer time is essential. Pray without ceasing and all our work is to be ungirded by our prayer efforts.

The "Time and Place Committee" reported that the fall leadership conference would be held sometime in September with the Mt. Gilead church and the annual session would be held with the Rowan church.

The Appreciation Committee presented their report uniquely as four different women held large hearts of varying colors and gave in rhyming couplets their report expressing appreciation for work done by all officers and especially the host church.

Mrs. Waldo Early gave the report of the nominating committee, which was adopted.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, having been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

SUPERINTENDENT OF MISSIONS REPORT

"The Church Fulfilling Its Mission Through Evangelism and World Missions" is our Southern Baptist Convention theme for this year. The most important date on our calendar of activities is the "Crusade of the Americas" scheduled in our churches March 16-30, 1969. Spiritual preparation must be made now for this challenging and timely effort. God has promised to do His part if we will do ours (II Chronicles 7:14). We desperately need revival.

A partial list of the activities of your Superintendent of Missions is as follows: Miles traveled 18,193; Sermons 39; Ordinations 8; Messages 7; Study Courses 3; Meetings and committees 36; Meetings outside Association 10; Eastern Lights mailed 3,240.

Other activities: enlisting associational officers and leaders, assisted 2 churches with music, Youth Camp Missionary, promoted and directed School of Missions, held 459 individual conference (group 31, Committee 22), prepared Book of Reports, also Calendar of Activities.

Mrs. Simpson taught 30 Mission Studies, led 9 conferences, brought six messages, taught 3 study courses, and was of great assistance in preparation for our School of Missions.

It is a real joy to serve you. We covet your prayers as we begin another year of service together for our Lord.

Respectfully submitted,
J. HENRY SIMPSON, JR.

TRAINING UNION REPORT

These are important days in the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through our Training Union.

This has been a good year for Training Union in the Eastern Association. Your Associational Training Union Director visited in 25 churches throughout the Association last year.

Let's look back over the past year:

"M" Night was very successful this year. It was held at the Magnolia Church, December 4, 1967. There were 21 churches represented with 16 pastors and 16 T. U. Directors present. With an overall attendance of 397. Rev. J. N. McFadden was the speaker for this meeting, and brought a message that challenged us to greater service for our Lord.

Our Associational Youth Night program was a tremendous success under the leadership of Rev. Charles Hinson on Saturday evening, March 16. There were some 335 young people present to fill the Grove Park church to overflowing. The religious film "Fast Way No Where" was shown which impressed everyone.

There were 100 present for T. U. Tournaments at Mt. Olive, First Church, Sunday afternoon, March 17. There were 9 churches represented with participants in each tournament event except the Young Peoples speakers' tournament. All Juniors were winners, and went on to the Regional Tournament at Fairmont, First Church, April 2. We are happy to report that all Juniors were winners there, and participated in tournaments at Caswell.

Now for a look at the coming year:

There will be a T. U. Clinic, at Warsaw, First Church, November 18 to 21, with approved State workers to work with us. Pray for the success of this clinic.

Also on April 28, 1969, there will be a new member orientation program. The place will be announced later.

May 1 urge each of you to study and stay up-to-date with the current T. U. materials, especially the Training Union Magazine. This is essential in order to know what is going on in Training Union work.

Also, may I thank each of you your prayers, assistance, and support in carrying on the Training Union work. As Nominee, I would like to pledge to you my best during the coming year, and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

REPORT ON EVANGELISM

Evangelism is our first great responsibility and the second is to follow our Lord Jesus Christ obediently, as taught in the Scriptures, that the true fruits of evangelism may issue from our total lives.

It must be of utmost concern to every Spirit-filled Baptist to know there is a reliable source of divine knowledge found in the Bible. To preach the Gospel of Christ one must know what the Gospel is, and this God has revealed and written for us in the Bible.

To move with God this year and next in the Crusade of the Americas, means that we must be diligent in searching the Scriptures and proclaiming the glorious Gospel of Christ revealed therein; and that we must walk daily with God in the fellowship of prayer. Leaders in the churches must make sure these two most vital matters are constantly practiced in their lives and that these matters are always kept before the people in the churches. This done faithfully and sincerely day by day across the weeks and months will bring individuals and churches into vital relationship with God.

It is urgently important that every churuch be confronted with the opportunity and responsibility of participating with other Baptists across the Western hemisphere in prayerful concern for a spiritual awakening to be experienced in the simultaneous revival meetings next spring. Messengers of this association are therefore urged to see that every church rightly faces this challenge. For details on the Crusade consult the Guidebook for Baptists of North Carolina, which has been mailed to all pastors, Sunday school superintendents, Training Union directors, WMU presidents, and Brotherhood presidents.

In our Association, the following churches have voted to participate in the crusade: Bear Marsh, Beulah, Calypso, Grove Park, Immanuel, Corinth, Dobson's Chapel, Evergreen, Garland, Johnson, Magnolia, Mt. Olive, First, Mt. Vernon, New Hope, Poston, Rowan, Sharon Shiloh, Siloam, Turkey, Union Grove, Warsaw (Calvary), Warsaw (First), Wells Chapel. Center will have their Crusade June 15-21. Clinton, First will have their Crusade January 19-24.

As soon as a church votes to participate, the Association Chairman of Evangelism should be notified .

WOMAN'S MISSIONARY UNION REPORT

The spirit of Woman's Missionary Union has always been to emulate the spirit of Christ. Baptist women through the years found they could best perform this task through a cooperative effort. Thus, women in our Baptist churches have sought to be "Laborers together with God." (I Cor. 3:9) through the channels of Woman's Mission Union.

This past year in Eastern Association our Woman's Missionary Unions have stressed "The Church Fulfilling It's Mission — Through Ministry". We have sought to exemplify the Watchword of the year— "Inasmuch as ye have done it unto one of the least . . . ye have done it unto me." Matt. 25:40. Churches in our Association have sought a wider ministry because women have been more involved. Thus we have sought to enlarge our ministry as the church fulfills its ministry.

The past year has brought change, but women are excited about discarding the old, and taking on the new, as we enter a new church year, we are "geared to change".

"Methods are many
Principles are few
Methods change often
Principles never do."

So as we embody changes to make our work more effective, we are ever mindful that the principles remain steadfast, but in our changing world, we seek to involve all our people in the changing of methods. Already we have seen a quickening in the hearts and lives of our people as they become more involved in the needs of people around them. We anticipate our new church year with great eagerness, because of the opportunity afforded us to enlarge our vision and strengthen our stakes.

Our Association received distinction during the past year, as our association merited Honor recognition from our Southwide WMU office in Birmingham. This in essence was the work of our local churches, as they sought to make their efforts more effective and thus bring special recognition to our association.

Our fall leadership conference was held with the Turkey church. This conference was well attended by our leaders both of our societies and young people's organizations. As these women came they were introduced to some of the changes in the offing which seek to enlarge our vision, thus they become better equipped to do the task in the local church.

In February our YWA's under the able leadership of Mrs. W. S. Wells, Jr., held a banquet with the Corinth church. Around a hundred girls were present with Mrs. Ruth Murray of Wilmington being the banquet speaker. Her enthusiasm and love for the Lord was a challenge to all who attended. The YWA's also were well represented at the state YWA convention held in Durham. We rejoice in the interest manifested by these young women, because we are fully aware they are our home-makers, missionaries and leaders of tomorrow. Their council has met regularly throughout the year to keep themselves informed of their responsibility in mission efforts.

Our annual associational meeting took on a new format this year. The meeting was held with the Calypso Church and the first session was opened at 5:00 in the afternoon, and the meeting adjourned promptly at 9:00 p.m. The Calypso church served a delicious supper to the 230 women who registered, with a goodly number of our pastors in attend-

ance. This meeting gave emphasis to every phase of Woman's Missionary Union, and a new missionary vision was gained by those who heard Rev. W. T. Roberson of Vietnam tell of the progress being made by our missionaries despite the handicaps under which they must work in this war-torn country.

Two of our officers rotated out of office, however, these whose tenure of service was completed were replaced with other women equipped to do the task. Mr. Hubert Peterson was elected to serve as secretary-treasurer and Mrs. Jane Kaleel was elected to serve as assistant G. A. Director, with emphasis on our Junior age group.

It is hoped that all our churches will be led to "Changes and Choices"—this is the first time we have had a hand-book for our WMS members. This book was written by our Southwide President, Mrs. Robert Fling who presents a challenge to every Christian to keep in step with our changing world and thus to become a more effective Christian witness.

Respectfully submitted,
MRS. H. O. LANNING
WMU Director

COOPERATIVE PROGRAM REPORT

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad — it's preaching the gospel — it is healing in the name of Jesus through hospitals and clinics every where — it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday, and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "go . . . preach . . . teach . . ."

Let us resolve to pray earnestly for all Kingdom work through the Cooperative Program and support our prayers with sacrificial giving of self and substance. The Yates Association had 100% of their churches giving through the Cooperative Program during 1967.

A new Eight Day Stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation to every family in the church by the Deacons, prayer by every church member and a Week-end Stewardship Revival. Many of the pilot churches have found this an effective way to increase giving and pledge the church's budget.

According to records available, our association gave $37,368.00 during the last year for World Missions, through the Cooperative Program.

Recommendations:

We recommend: (1) That each church plan, vigorously promote, and subscribe a worthy budget. (2) That each church have a special prayer for Cooperative Program causes during each church service in October. (3) That each church give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

BAPTIST HOMES FOR THE AGING REPORT

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory service on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home, and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great State.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22½% of their total support; (2) The Cooperative Program from which we receive 12½% of total income. Gifts from these two sources were at an all time high in 1967, and amounted to around $200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

More than in any previous years the ministry of the Homes has been extended beyond the day to day care of the residents to our local churches and communities. Experiences have been shared in more than one Association. in World Missions Conferences, Family Life Conferences, High School classes in Family Living, etc.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those who average age is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

J. HUBER DIXON

BAPTIST CHILDREN'S HOMES REPORT

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Cooperative Program income througuh the churches is increasingly important. Last year's Thanksgiving Offering was the largest ever—now approaching $325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year—two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy of the blessing of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

BAPTIST HOSPITAL REPORT

This has been a full year at our Baptist Hospital with more than thirty thousand sick people being given medical service and Christian ministry, and more than 165,000 visits being made to the clinics of the hospital. In addition to this, more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which is greatly to increase the capacity of the Medical Center to train and to serve, is progressing on schedule. The new power plant is scheduled to go into operation in October. The paramedical school building is due to be ready by next April. It will provide the best in teaching facilities and make it possible to double the capacity of our nine schools and to add new schools. The Medical School addition is to be ready by September, 1969, and will allow that school to enlarge by 35%. Contracts are due to be let in October for the new patient building, which is to be completed in 1971. This building and the remodeling of the oldest part of the present plant will provide more than 200 new patient beds and greatly enlarged space and facilities for offices and for examinations and treatment of patients.

The cost of this large Development Program is being provided by interested individuals, corporations, foundations and government agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for greatly enlarging these services.

But this is a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a growing deficit. We have been told this for several years but the gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. A patient's hospital bill will be estimated in advance, any available hospital insurance will be deducted, and the balance must be paid before the patient is admitted unless he is certified by his county welfare department or some other agency. Any balance beyond the estimated bill must be paid before the patient is discharged. In case of an emergency, the patient may be admitted but the hospital bill must be paid as soon as possible after admission. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

The great concern at our Baptist Hospital is for these patients who must have financial assistance if they are to get the specialized care they need. But the hospital has come to the point that it cannot continue to operate without the money necessary to cover the cost. In view of the circumstances, we believe the great majority of our pastors and our people will understand these changes and give their full cooperation. The Mother's Day Offering will ned to be increased greatly if our hospital is to fulfill its mission to our people who most need it. We want to assure our hospital that it can depend upon us in full measure.

TOMMY DEESE

REPORT OF THE BIBLICAL RECORDER

This is a period in history when some church publications are struggling to exist. Smaller circulation, rising cost of publication, mergers, and other factors are creating hardships for many publications.

Your Biblical Recorder is not immune from some of these problems, but there is a brighter side to its ministry. In January, the Recorder had its 135th birthday so this indicates it is durable and hardy. While circulation did not set any new records for the past year, a healthy gain was noted. Inflation, accompanied by increased printing costs, caused the Recorder to have to buckle its belt, but necessary economy steps were well accepted by our Baptist people. One of these was to let the churches pay the state sales tax, thus saving the Recorder nearly $5,000 a year.

There is every indication that the Recorder is continuing to be read closely. Letters to the editor reflect this growing interest on the part of readers. This is healthy and is one of the strong points of Baptist democracy. The Recorder runs well over 200 letters a year, many of them expressing strong feelings on a variety of subjects. Baptists are individualists and since this is part of our heritage, the Recorder is glad to receive letters on the issues facing Christians today. There must be diologue among Baptists and the Recorder is glad to serve our donomination in this capacity.

The tragedy is that more of our Baptist people don't get the Recorder. Although hundreds of churches send it to every home, there are too many churches that do not have it in the budget. Frequently the interest and hard work of one person can mean the difference. Try it and see.

The Recorder staff has rededicated itself to the job of getting out the best paper possible in these days of serious upheaval. Speaking the truth in love is the goal of the Recorder at all times. The support of all Baptists is needed in carrying out this objective.

BAPTIST FOUNDATION REPORT

During the past year, the North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation, Christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

Respectfully submitted,
GARLAND P. KING

SUNDAY SCHOOL REPORT

Our Associational Sunday school work has gone real well during the past year. We had good participation in every event sponsored by the Sunday School.

Our Associational Sunday School Officers were dedicated to their tasks and made great effort to prepare themselves for their work. There was a good representation from our Association at the Regional Sunday School Clinic held at Albemarle last year. After this clinic, our officers met at the First Baptist Church of Clinton with real enthusiasm to plan our year's work.

We first planned to divide our Association into four sections and then go into each section with a Sunday School Clinic held by our own officers. We made the division and did go into the section around Corinth Baptist Church with a clinic. We met at this church with fair attendance from this area. Later in the year, we decided to alter our plans and promote an Associational-wide Clinic, with state workers coming to assist us. This clinic was held with the Turkey Baptist Church with a total of 219 enrolled and 27 of our churches taking part. It was an excellent clinic.

The Associational Vacation Bible School Clinic was held at the First Baptist Church. We had fair attendance at this meeting, anad our people seemed to get a good deal from the Clinic. There was sufficient enthusiasm stirred up that several churches improved a great deal in their Vacation Bible School work in their churches.

Your Associational Sunday School Superintendent attended the Sunday School week at Ridgecrest during July. This proved to be very helpful. Then, several of our Sunday School officers attended the Regional Clinic held in Lumberton in preparation for this year's work. That clinic was held Sept. 12.

Our last event of the past year was that Great Rally at the Warsaw, First Church. On September 17, we held a Crusade of the Americas Rally for our Sunday School Action Night. It was a great success with approximately 300 attending.

Pray for your Associational Sunday School Officers and if they can serve you, please feel free to call upon them at any time.

VERNON BRASWELL

MISSIONS COMMITTEE REPORT

One of the purposes of the Mission's Committee is to exercise general supervision of the Associational work. This has been our major concern this year as we have worked closely with our Superintendent of Missions, the Rev. J. Henry Simpson, Jr.

The committee has met a total of five times this year with the Rev. Huber Dixon serving as secretary of the committee. At each of the meetings we have heard a report of the work of Mr. Simpson, and entered into discussion and evaluation of the work.

The committee gave approval for pastoral aid requested by the Calvary Church. The request, amounting to $100 per month for six months was approved by the General Board, and has been received by the church to enable the pastor to give full time to this field.

The Committee requested financial aid for the Baptist Student Union at Mount Olive College. The amount of $200 for this year was received by the Association from the Baptist State Convention for the B. S. U. work.

The committee recommended that much needed repairs of the home of our Superintendent of Missions be made as funds were available. This was approved by the Associational Council and the Trustees were instructed to implement this work.

An opportunity to minister to migrants was brought before the committee. The committee requested Mr. Simpson to inform churches of the migrant workers who would be in our area.

One of the highlights of the year in our Association was the School of Missions directed by Mr. Simpson in October 22-27, 1967. The Committee expressed its gratitude to Mr. Simpson for his promotion and leadership of this undertaking.

The committee is aware of the faithful service of our Superintendent of Missions and his wife Mrs. Simpson. We are grateful to God for their concern, their enthusiasm and the unselfish way they seek to serve churches and individuals within our Association.

The Missions Committee would call every individual and church within our Association to prayerful support and genuine involvement in our Lord's work here in Eastern Association, aas we enter this year of evangelism and world missions.

Members of the Mission Committee for this year are John Flake, James Ezzell, Hubert Blanchard, Tommy Deese, Huber Dixon, Wilbur Brock, and Glen Holt.

ANNUITY BOARD REPORT

Once again we bring to the attention of the Baptist people of the Eastern Association the important work of the Annuity Board.

This agency of the Convention exists for the purpose of aiding pastors and their families in time of need and relieving the churches of this care when the pastor has retired because of disability or advancing years.

During this 50th anniversary of the Annuity Board, new plans have been developed to aid the Board in carrying out the above named purpose.

Response to the new program has been good. During 1967, 3,146 members joined some part of the three-plan program. The plans in the Protection Program are: Plan "A", formerly called the Southern Baptist Protection Plan, and the plan in which benefits were increased and new ones added; Plan B, the Age Security Plan; and Plan C, the Variable Benefit Plan.

Dues on Total Salary Encouraged: Inflation continues to affect the buying power of the dollar for everyone, including those who have retired. No sign of a leveling off period of the inflationary trend is indicated. The Protection Program is designed to help any church provide as much retirement income for the minister and staff as it desires. Many churches are moving to ten per cent dues on total salary, recommended as a minimum by the Annuity Board and state convention secretaries.

Report for 1967: As of December 31, 1967, 1,202 new members had been issued certificates in Plan "A" of the Protection Program. A total of 17,400 churches were providing the program for their ministers.

It is disappointing to record that the pastors and churches of the Eastern Association have made but little, if any, improvement on last year's record. We still have twelve (12) fine churches that have not included the Plans offered by the Annuity Board in their plan for pastoral support. Could it be that the pastors of these churches are not interested in future protection? Do you need Rev. Guy Cain or our Missionary, or someone else to present this matter to your church? With a minimum of effort the Eastern Association could be 100% in the Plans offered by our Board. If the churches and the pastors want it, they can have this protection.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program, contact Rev. Guy Cain, 310 Hillsborough Street, Raleigh, North Carolina, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

CHRISTIAN HIGHER EDUCATION REPORT

Enrollment (Oct. 15, 1967)

Campbell College	2,351
Chowan College	1,302
Gardner-Webb College	1,300
Mars Hill College	1,370
Meredith College	969
Wake Forest University	3,163
Wingate College	1,560
	12,024

Forums will be Scheduled Again on Each Campus This Year: At the unanimous request of the college presidents, the Council on Christian Higher Education will again schedule forums on each campus of the seven Baptist colleges, to which pastors and other church leaders will be invited. This decision came as a result of the very successful BEST forums which were held last year, and a number of pastors and laymen have suggested that this type of communication between the colleges and our Baptist people might well become an annual event. As quickly as the schedule can be arranged, announcement will be coming to your pastors and Sunday School superintendents.

Cooperative Program: The continued growth of the support by our Baptist people of the Cooperative Program is most encouraging, and we wish to take this opportunity to thank our Baptist people for the generous support through this means. For the year 1968, the following amounts wer budgeted: Campbell, $272,377; Chowan, $163,100; Gardner-Webb, $154,945; Mars Hill, $234,864; Meredith, $234,864; Wake Forest University, $399,595; and Wingate, $171,255.

Baptist College Day: We should like, also to report that we are grateful for the increased interest in the Baptist College Day and the number of churches participating. The Baptist College Day has two main objectives: to inform our people about the purpose and program of Christian higher education and to provide an opportunity through the Baptist College Day offering to give much needed help to our schools.

We urge our pastors and churches next year to contact our schools and ask for a team of Baptist young people to give testimonies concerning what going to a Christian college means to them. One pastor said recently: "The two young people who came to our church have changed the whole attitude of our congregation towards the Baptist colleges and the Cooperative Program." We would also remind you that the Council office will be ready to assist any church in planning the observance of Baptist College Day, and will also be glad to recommend speakers.

A Moral and Ethical Force: The Christian college campus is emerging once again as a great moral and ethical force in American culture. Our church-related colleges have taken the lead in restoring discipline and moral and ethical responsibility on the college campus. The denominations who grasp this opportunity to work with young people are the ones who will have the most effective Christian witness in America in the future. This is no time for retreating or retrenching. It is a time for positive Christian witness from our churches and from our Chrstian colleges. We believe that we have a mandate to re-establish a sense of Christian values in American life.

Council on Christian Higher Education: The Council on Christian Higher Education is a service organization, as well as a coordinating agency for the Baptist colleges in our state Convention. When in Raleigh, we invite you to visit our office, and we also have special materials concerning all of our Baptist colleges and young people. This material is available to churches and individuals upon request, and may be obtained by writing to the Council on Christian Higher Education, 301 Hillsborough St., Raleigh, N. C.

The Council also cooperates with local churches, Pastors' Conferences, and the associational missionaries in furnishing speakers on Christian higher education.

CHARLES HINSON

RECOMMENDATIONS:

Due to our increased budget and inflationary prices, the Budget Committee makes the following recommendations:

1. That we commend our churches for their faithful support of Associational Missions.
2. That we request each church to give to the Associational Budget, $1.25 per resident member, or 2% of their budgets or offerings.
3. That each church be requested to send in their contributions monthly in order to meet monthly expenses; if not monthly, the first of the quarter. This would eliminate the lean months.
4. That each church pay for its own supply of the new minutes of the past year at $1.00 per copy.
5. That an offering be received at each day's session of our Annual meeting this year to replenish our Treasury.

YOUTH CAMP REPORT

This year's Youth Camp was one of the most successful camps we have had. We were able to accomplish much more than in previous years due to the fact that much preparation was made before we assembled for camp. We also had a good and adequate staff for the first time. This year we picked our workers rather than have churches send adults. Each person knew what he or she was to do before coming to camp. Thus, we were ready to start camp on arrival. I doubt if you could have found a Youth Camp anywhere that ran more smoothly than ours. The cooperation on the part of leaders was superb.

During this Youth Camp, we had 9 professions of faith, 24 commitments to full-time Christian vocations and 52 rededications. We had only one child to get hurt and it was minor. We had very few children to get homesick, in fact only two had to go home because of this.

I am happy to report that we operated in the black again this year. After meeting all financial obligations, we have a balance of $67.79 in the treasury.

We enrolled a total of 225 campers. and 28 staffers and counselors, making a total of 253. Of this number, 107 were from the Bladen Association.

In conclusion, I would like to take this opportunity to say a word about the Youth Camp Leaders from Bladen Association. I have never seen such wonderful cooperation as they manifested. It was a rich experience to be associated with the Bladen Association in this endeavor. I just hope we may be able to continue working with them in this effort.

BROTHERHOOD REPORT

The purpose of a Brotherhood, which includes all men and boys of a church, is to encourage involvement in Mission Study and Mission Action. New officers of the Baptist Men's organization include a Mission Study Leader and a Mission Action Leader. These new officers (or offices) indicate that the very heart of a Baptist Men's group is Missions and personal witness for Christ to others.

An Associational Brotherhood inspirational rally was held March 5th with the Turkey church. The rally was well attended with some 200 men present. Following some good singing by the men, the Bear Marsh and Turkey Church Men's choruses and special music by J. N. McFadden, Rev. William M. Jones, Clinton, First Church Pastor, brought a stirring and helpful message on "Jonah". Many favorable comments were heard by the men, several saying, "We like this kind of a rally."

Plans call for an Associational Brotherhood Workshop Tuesday evening, October 29th with the Immanuel Church at 7:30 with outside Brotherhood leaders leading conferences for Brotherhood officers. We hope each of our Baptist Men's groups will be well represented, so that the officers and men may receive additional training.

We plan to have another inspirational rally or two during the year. Detailed information will be given later.

We are happy to report that we now have 15 Baptist Men's organizations with an enrollment of 341, a gain of 42 over the previous year. Five new Baptist Men's groups were organized during the past year as follows: Evergreen, Johnson, Rose Hill, Sharon, and Wells Chapel. 143 boys, a gain of 50 over last year, are enrolled as Royal Ambassadors which gives a total enrollment of 484 men and boys. We are grateful for these gains.

Your Associational Brotherhood officers, along with your Missionary, stand ready to assist in organizing new Baptist Men's groups and helping to encourage the men and boys of our churches to be more interested in a study of missions and more deeply involved in mission action.

REPORT OF THE AMERICAN BIBLE SOCIETY, 1968

Seven out of eight Christians in our world today do not possess a New Testament; 50% of all Christian families do not have Bibles, and more than 2 and ½ billion of the 3 billion people of the world are without any portion of the Written Word at all.

The American Bible Society has existed for over 150 years for the sole purpose of preparing and supplying Scriptures to all mankind in a language he can understand. Printing without note or comment . . . supplying the blind with special Scriptuures and distributing without profit, the American Bible Society has reached millions of people in the world. At least one book of the Bible has been published in 1326 different languages and dialects to date, but there are still over 1,000 languages to go.

Southern Baptists have always been in the fore-front of active participation and cooperation with American Bible Society ministries, leading the 74 denominational groups in financial support.

North Carolina Baptist churches contributed $7,614.25 to the American Bible Society cause in designated gifts through the Convention office last year. Officials of American Bible Society continue to urge churches to make their contributions in this way, in order that more accurate records may be kept for our own information.

Because of these gifts, and other contributions, the American Bible Society continues to minister through institutions, armed forces, hospitals, prisons, schools and other vital targets. One request recently brought more than 2600 North Carolina residents of several different institutions copies of the Scriptures from American Bible Society grants. These included Samarcand Manor, McCain Prison Unit, McCain Hospital, Leonard Training School, Odum Prison, Morrison Training School, Barium Springs Home, Jackson Training School, Florence Crittenton Home and our public school requesting portions for 550 pupils.

The American Bible Society depends entirely upon concerned churches and individuals who have the vision to feed men's souls.

The world will not wait, and it need not, as long as dedicated Christians continue to manifest their concern for God's world by their increased support of the translation, publication and distribution of His Word.

RESOLUTIONS COMMITTEE REPORT

We, the 141st Annual Session of the Eastern Baptist Association, extend grateful appreciation to those who have made this meeting such an unforgetable occasion.

1. To both the Rose Hill Church and Immanuel Baptist Church and their pastors for the wonderful way they have served as our hosts for the sessions of the association.

2. To the program committee for their careful planning which made for the efficient handling of business and the setting for a worshipful and inspiring agenda.

3. To our beloved Associational Missionary, J. Henry Simpson, Jr. for his love, vision and commitment in leading us on to greater work.

4. To our Baptist State Convention representatives for their coming to challenge our work.

5. To God, our Father whose love has surrounded us, and whose strength and guidance has equipped us for our task.

We further resolve to commit ourselves anew to the plan, purpose and will of God as we minister together to advance his Kingdom.

Respectfully submitted,

K. W. PITTMAN

Minutes

of the 60th Meeting of the WMU

The 60th annual meeting of the Eastern Associational WMU was held on April 10, 1969 with the Rowan Baptist Church.

The meeting continued the format of last year in that the first session was called to order at 5:00 p.m., with Mrs. H.O. Lanning the associational director presiding.

The theme used for the meeting was "Every Christian A Witness--Now" Mrs. M.M. Johnson led the group in singing "To God Be the Glory" for the opening hymn. The women of Clinton First church, presented the calendar of prayer, which was followed by prayer by the host pastor, Rev. M.M. Johnson. Mrs. Charles Hinson of First Church, Warsaw, read appropriate scripture and commented upon the responsibility to become co-laborers in the local church and community. Thus, the meeting was begun on a high spiritual note.

Mrs. Leonard Yancey, director of the host WMU, offered words of welcome and brought to our attention something of the history of Rowan church and it's interest in missions around the world.

Business matters consisted of the report of the treasurer, and it was noted that each church had been faithful in their stewardship and provisions for the work of the association was maintained. Proper recognition was given to pastors and visitors. A larger group of pastors were in attendance than in previous years it was noted. The associational director from New South River Mrs. Wayne Lee was present for the meeting. Registration indicated that 290 people were registered with 35 churches represented.

The afternoon session was a highlight in the meeting, because of the feature of young people. Mrs. Glenn Holt, led out featuring Sunbeams. As a brief history of Sunbeams were read, various groups of children pantomimed the historical facts. The feature was closed with a challenge to every church to organize the young children and provide mission information for this important group.

G.A.'s were featured by girls themselves under the direction of Mrs. Jane Kaleel. Vonda Taylor and Linda Weeks, told of some of their experiences in working in G.A. They presented a challenge to mothers who were present to see that their daughters became involved in this worthwhile organization.

This feature was closed with Mrs. W.S. Wells, Jr. presenting the Y.W.A.s and their giving a report of the YWA convention held in Greensboro. Eastern Association was well represented at this meeting with young women from all over the assn. in attendance.

Completing the afternoon session, Miss Sara Ann Hobbs, state executive secretary for N.C. WMU gave a preview of what is to come in the 70's with emphasis on the regrouping of our youth organizations, with the hope that more concerted effort will be made to enlist the unenlisted.

The Rowan church served a delicious supper to the guests present and the evening session began at 7:30. Following the format of last year, many of our pastors in the association were used. Rev. Vernon Braswell having the closing prayer of the afternoon session with Rev. Norman Aycock having the scripture reading and prayer for the opening of the evening session.

Mrs. Raymond Blanchard, Sr. gave the report of the nominating committee, with the prayer of dedication being given by Missionary May Hester Powell.

Mission Action was stressed by Mrs. Edwin Peterson and Mrs. Henry Simpson gave a preview of the new mission series for the immediate future. We also would like to note that Mrs. Henry Simpson, has been elected as a member of the Home Mission Board of SBC to represent N.C. Also Mrs. Bill Jones, was elected at the Southern Baptist Convention to serve as the N.C. member of the Foreign Mission Board.

Rev. Jasper Hinson of Grove Park church stressed the importance of Youth camp and its continuing program.

Miss Sara Ann Hobbs closed the evening session with a very inspiring message and brought to our attention the need of the world and the special needs of N.C. Baptist and the important part of women in our mission programs both at home and abroad.

The report of the appreciation committee was uniquely given by 8 women who held decorated posters spelling the words 'Thank You' and each giving a couplet in rhyme to express appreciation for the meeting.

Church Covenant

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Savior, and upon the profession of our faith, having been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Savior. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Savior - to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

SUPERINTENDENT OF MISSIONS REPORT

We have a challenging theme for this year "Living the Spirit of Christ in Belief and Relevance." The purpose of the "Shaping of the 70's" Conferences this year is in keeping with this timely theme. We live in a changing world, but Christ is unchanging, and eternal. "He is the same yesterday, today and forever." The Gospel message has not changed, but we must constantly evaluate our methods of reaching men with the Gospel, and if necessary, we should be willing to make needed changes in order to make our Christian witness more relevant to the needs of our society.

A resume of the activities of your Superintendent of Missions for the past year is as follows:

Miles traveled	16,442
Sermons	49
Ordinations	2
Messages	5
Study Courses	1
Meetings and committees	42
Meetings outside Assoc.	14
Eastern Lights mailed	3260

Other Activities: enlisted Associational officers and leaders; assisted two churches with music; held 2823 individual conferences (group 327; committee 28); prepared Book of Reports, Calendar of Activities; Directed Crusade.

Mrs. Simpson taught 25 mission studies, led 6 conferences, brought 5 messages, taught 4 study courses, taught one Old Testament Survey Course at Sampson Tech, and is in the process of teaching another at James Sprunt Institute. She also now serves as a director of the Home Mission Board.

Pray for us that as we begin our fifth year of service with you, that the Lord will enable us to be increasingly more useful in serving him through the churches of our Association.

Respectfully Submitted,
J. Henry Simpson, Jr.

EVANGELISM REPORT

The simultaneous revival meetings held last spring as a part of the Crusade of the Americas bore evidence, in some places across the state, of being genuine spiritual revivals. Where God's people sowed bountifully, they reaped gloriously. All the churches in the association participated in this crusade. The number of additions to the churches for the year by baptism ------; by letter -----.

As we face the future in evangelism we should take note of what happened this year where outstanding revivals were experienced. This will give some guidelines for future plans in evangelism. As observed across the state, some of the characteristics were:

1. In every church were an unusual revival was reported there had been unusual prayer concern and prayer participation across several months on the part of some church people - usually the leaders. This definitely says something to us for the future.
2. Some of the most powerful revivals in our state started among the young people of our churches. Young people are prominent in many places today (mostly in wordly places), and it is encouraging to know that when they offer themselves to God to be used in His purpose, as many are doing, that revivals break forth in the churches. This has taken place in several churches in North Carolina this year. It ought to be happening everywhere.

In the light of what we have seen this year, here are some "MUSTS" for the future:

1. To seek earnestly to be completely assured in our hearts and minds that the only hope for us and all people is Christ - Christ as He and His gospel are revealed by the Holy Spirit through the Bible, the inspired and inerrant Word of God.
2. To purpose to engage daily in searching the Scriptures and in praying for spiritual revival in the churches. Some have made a beginning in this vital matter and all other Christians should join them and continue steadfastly therein.
3. To proclaim faithfully "publicly and from house to house" (Acts 20:20) the glorious gospel of Christ, and to make this purpose central in all church plans, programs and activities.

R.A. Thompson

BROTHERHOOD REPORT

An Associational Brotherhood Workshop was held Tuesday evening, October 29th with the Immanuel Church in Clinton. The following churches were represented: Turkey, Immanuel, Rowan, Sharon, Garland, Corinth and Warsaw, First.

Total attendance was 43. Four conferences were held for Pastors, Directors, Baptist Men's Presidents, Mission Study and Mission Action leaders, and R.A. Leaders.

Plans have been made to have a Brotherhood Workshop Monday Evening, October 27th, at 7:30 with the Calvary Church in Warsaw. Conferences for Pastors, Directors, Baptist Men's Presidents, R.A. leaders, and Mission Study and Mission Action leaders will be led by a team of conference leaders provided by our State Brotherhood Department in Raleigh.

Churches with Baptist Men's organizations are urged to be well represented, with their officers, so that they may receive additional training. We also invite churches without Brotherhood work to send interested pastors and men to this clinic.

Your Associational Brotherhood officers stand ready to strengthen existing Brotherhood work and to assist in organizing new units in churches that do not now have Brotherhood organizations.

CHRISTIAN EDUCATION REPORT

The Division of Christian Higher Education of the Baptist State Convention functions chiefly through the Council. The Council membership is made up of the eighteen members of the Education Committee of the General Board, seven college presidents, seven chairmen of boards of trustees, and seven academic deans. Ex-officio members include the president of the Convention, president of the General Board, General-Secretary Treasurer of the Convention, and the president of the state Woman's Missionary Union.

Dr. Ben C. Fisher is director of the Division of Christian Higher Education and Executive Secretary of the Council. Miss Grace Yow is secretary to Dr. Fisher.

North Carolina Baptists now have a university, four senior colleges, and two junior colleges: Wake Forest University, Winston-Salem; Campbell Senior College, Buie's Creek; Mars Hill Senior College, Mars Hill; Meredith Senior College, Raleigh; Gardner-Webb Senior College, Boiling Springs; Chowan Junior College, Murfreesboro; and Wingate Junior College, Wingate.

There are currently enrolled in all North Carolina Baptist colleges approximately 12,000 students.

In these institutions there are more than 500 young men and women preparing for full-time Christian service. This includes those preparing for the gospel ministry, to be missionaries, educational directors, directors of church music, Christian college teachers, chaplains, and denominational workers.

In each college catalog may be found a statement of Christian purpose. The Christian college operates on the basic assumption that apart from religious commitment life can have no ultimate meaning. Jesus Christ is the foundation of all truth and provides the frame of reference in which all knowledge can be examined and used for the good of man and for the glory of God, and the two cannot be separated.

The North Carolina Baptist college curricula provide courses in the study of Bible Church History, and related subjects which give students new insights and commitments to the Christian faith.

All colleges have regularly scheduled chapel services which provide an opportunity for worship, meditation, scripture, prayer, music, and preaching. Baptist colleges are not only concerned with the special role of training the Christian vocational worker, but they are also concerned with teaching and training churchmen who will take Christian views and sympathies into any vocation they enter.

The Cooperative Program is the Baptist college lifeline. Administrations, faculties, students, trustees, and alumni are deeply grateful to North Carolina Baptists for this support.

The Baptist College Day offering has become another significant means of financial support to our Baptist colleges, and each church is urged to participate.

Charles Hinson

CHURCH TRAINING REPORT

These are exciting days for Church Training. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through the Church Training Ministry.

This has been a busy year for church training in the Eastern Association. Our hearts rejoiced on M NIGHT, December 2nd, 1968, to have an attendance of 324 with 13 Training Union Directors, 15 pastors and 21 churches represented. The Immanuel Church, Clinton, was filled to capacity. The host church received the Attendance Banner, having 66 present. The Efficiency Banner was presented to the Bear Marsh Church with 69% of their enrollment present.

Our Tournaments were held at Calvary Church, Warsaw, N.C., April 20th. There were 10 churches represented with an attendance of 83. Participation was good in all parts of the tournaments except for Young People's Speakers tournament. We are happy to report that Mrs. Ruth Carr of Wells Chapel church, won the Adult Bible Reading Regional tournament held in Wilmington, N.C. She represented Region #3 at Caswell the summer. All of our Juniors were winners in Wilmington.

There was an associational leadership Training Ministry Conference Monday through Wednesday evenings, Nov. 18-20th with Warsaw, First Church. Our average attendance was 45 with 26 of these requesting awards.

A New Member Orientation Clinic was held with Poston Church Monday, April 28th, 1969.

Your leaders will soon be meeting to set up goals and programs for the coming year. You will be informed of these soon.

May I urge each of you to study and stay up to date with current Training Union Materials especially the T.U. magazine. This is essential in order to keep up with the larger ministry of church training.

Also may I thank each of you for your prayers, assistance, and support in carrying on the church Training program. I would like to pledge to you my best during the coming year, and beg you to support and make use of the Church Training Ministries as a means toward a more effective Christian witness through the local church.

WOMAN'S MISSIONARY UNION REPORT

The spirit of Woman's Missionary Union has been strengthened during the year as local churches have endeavored to reaffirm the watchword for the year, "Ye shall be witnesses unto me---unto the uttermost part of the earth." (Acts 1:8)

In so doing, we have on a percentage basis again received Honor Recognition from our Southwide office, for Eastern Association. This in essence is because each church has worked toward a common goal of witnessing now, and in each given community.

Last fall the Leadership Conference was held with the Mt. Gilead church, with a record attendance present. 200 women were informed of the duties of the local groups by Mrs. Gilmer Cross, first vice president of our state WMU. There was a total attendance at this leadership conference of 350 women. All of these came to learn of the changes in the offing and better how to regroup their activities so that each woman of the church might become involved in mission action, prayer, current mission groups or Bible Study.

In addition to Mrs. Cross, Miss Bernice Popham, State Sunbeam Director of WM came to the conference to lead the Sunbeam conference. Much interest was manifes with this our youngest group.

In November, Mrs. W.S. Wells and the YWA Council held a workshop at the Dobso Chapel's Church with 60 girls and leaders present.

In December a letter was sent to each society stressing the importance of th observance of the Week of Prayer for Foreign Missions, and the Lottie Moon Christmas Offering. Reports (written and by word of mouth) came expressing appreciatior for the new awareness of women of the local level and the Lottie Moon Offering reache an all time high in our association. This reminds us that when we know, we care, and when we care, we give.

In February, the YWA's held their annual banquet with First Baptist Church, Clinton. Mrs. Joseph Gardner, Jr. of Fayetteville was the guest speaker. Mrs. Gardne had lived in Hawaii for several years, and was very active in the Baptist program on the Island.

In March the week of prayer for Home Missions together with the Annie Armstrong Easter Offering was observed in our various churches. Mrs. Simpson was kept busy presenting the study "In Aloha Land" - the story of our work throughout Hawaii. During this month also, the Y.W.A. attended the Y.W.A. Convention in Greensboro.

In April the annual Meeting was held (report of this meeting given elsewhere), and in May the G. A. Rally was held with the Immanuel Church. Mrs. A. L. Parker of Greensboro was the guest speaker. She laid upon the hearts of those present the necessity of enlarging the vision of their world. About 175 girls with their leaders were present.

Summer activities included summer camps, World Missions Week at Caswell, where our Association was represented both in attendance and on the teaching staff. The year was rounded out with the attendance of all associational officers at the State Leadership Workshop held in Rocky Mount, N. C.

WMU enters the new church year with anticipation. The changes being made are exciting, and our women are seeking to involve the church family in the needs at our door step.

FOUNDATION REPORT

The assets of the North Carolina Baptist Foundation, Inc. have now reached beyond the one million dollar (1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from $350,000 to the present excess of slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is really a SERVICE arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to:

(1) God, (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through the Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they were most successful. We

have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year, and can attest to the fact that the Foundation is on the move and is rendering service to the individual Baptists in a most concrete way.

BAPTIST HOMES FOR THE AGING

Never before have your Baptist Homes for the Aging been more conscious of the Lord's Presence and of His goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, when the weather was at it severest on the 3rd Sunday of February, the day of the Special Offering, our churches came through with an offering that promises, at this point, to be the greatest in the Homes' history. The Lord, who is in charge of the weather and in charge of the Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord, and faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the Aging - the Special Offering, and the Cooperative Program. Through these two sources, one-third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we are to continue to assist these many needy persons, and if we are to reduce the deficit in the operation of the Homes, brought about by the rising cost of living, we must have more liberal support from our churches.

We do not believe that our Baptist people would want to curtail any of the vital ministries of the Homes, and that they will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity, and we now have almost 200 deserving older men and women living in our midst there and in our other four Homes - Resthaven and Hayes Homes, in Winstom-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. These wonderful people are finding much happiness in Christian companionship with persons of their age group, and great security in knowing that they will be loved and cared for in sickness and in health.

We believe, that our Baptist people will want to have an ever-increasing part in so worthy a labor of love in the Master's Name. We know that the Lord will not fail us, and we also believe that our people will want to be as faithful as possible.

AMERICAN BIBLE SOCIETY REPORT

During the period 1961 to 1967, when the value of the U.S. dollar decreased from 96 cents to 86.4 cents, the American Bible Society doubled the outreach of each dollar it received. Every dollar contributed to the Society during 1961, enabled at least some portion of God's Word to reach five people somewhere in the world. Contributions for 1967 enabled ten persons to receive a copy of Scripture for each dollar. These people were reached by employing more efficient printing and production techniques and by wider use of the Scriptures.

At a total cost of less than 7.5 million dollars, the American Bible Society distributed almost 78 million copies of Scriptures during 1968. All denominational support for the program totaled just over one million dollars. Of that amount $223,000 were contributed by Southern Baptists.

American Bible Society projects for 1969 include:

One million volumes of Scriptures distributed to college students.

Free copies of Scriptures given to 2 out of 3 men and women in the Armed Forces.

Distribution to the blind increased 36-1/2%.

Seven million television viewers shown the work of the American Bible Society.

150 women members of the Speaker's Bureau were responsible for much of the increase in gifts and distribution.

3000 women enrolled in the Circle of Concerned to distribute Scriptures throughout their own communities.

8000 translation or revision projects are in process throughout the world. 2.5 billion non-Christians throughout the world wait for answers to life's needs.

God's Word has those answers and Christians have the World. I urge every church in the Eastern Association to do as much as possible to help the American Bible Society realize its aim of spreading the Word of God throughout the world.

BAPTIST CHILDREN'S HOMES REPORT

The disciples asked Jesus, "who is the greatest in the Kingdom of Heaven?' And Jesus called a little child unto him, and set him in the midst of them." (St. Matthew 18:1-2) One of the finest ways to express your love and concern for unfortunate children is through the Baptist Children's Homes. The most appropriate time to lend a helping hand is with the Thanksgiving Offering.

The Baptist Children's Homes are rendering a greater ministry than ever before, at the present. All agency beds are filled and all available money is being utilized.

During the past year, an all out effort has been made to establish the Broyhill Home in Western North Carolina. Friends across the State have responded. Sufficient funds have been given and pledges to purchase the land, to prepare the site and to construct the first two cottages for children have been received. When the campus has been completed, provision will have been made for four cottages for children, a multi-purpose administration and activities building and a home for the superintendent. At the same time in a cooperative effort another needed ministry is being developed in Asheville. A home in which to serve unwed mothers and their offspring will be opened during the fall of 1969. Two cottages are now under construction at Mills Home. A recreation building and an infirmary at Kennedy Home, and two cottages for children at the Broyhill Home are scheduled for construction during the next year.

With the rising costs of living, let us resolve now to be more generous with our Thanksgiving Offering. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes, and by means of wills and estate planning for the needs of dependent children.

Members of the staff are available for consultation in estate planning and the preparation of wills. The important thing is not how much we accumulate and leave behind, but how we left it.

BAPTIST HOSPITAL REPORT 1969

It is with pleasure that we can report a small gain in our contributions to our Baptist Hospital for 1969. Although it is a very small gain, there is nowhere that our dollars go so far as when they are given to our hospital. Only four of our churches have reported no gifts to the hospital this year. I hope they will make a contribution to this worthy cause before the books close for the year.

Our Medical Center continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way, they are able better to discover those patients who may be eligible for medical care assistance through Social Services departments or other health agencies, and can start proceedings at once for getting these patients certified if this has not already been done. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the MOTHER'S DAY FUND must pay the balance. A member of the family must go to the agency and give the necessary information, and getting this done is often a real problem. Many of our pastors have helped in this connection and have rendered important service for the patients and the hospital.

If it were not for the help which comes from the health agencies, our Mother's Day Fund would not last for three months. After paying the difference between what the agencies pay, and the total cost for these patients, the Mother's Day offerings are used to help as many as possible of those who are not eligible for certification and who themselves cannot pay the total cost of their care. First preference must be given to those patients whose needs are greatest and most urgent. The free care the hospital gives must now be limited in keeping with the funds provided for this purpose, however, because the hospital cannot continue to go deeper in debt.

It is important that our people understand that all of the Mother's Day Offerings and designated gifts for this ministry are used for this purpose alone, and the hospital makes them go as far as it possibly can. The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

ANNUITY BOARD REPORT

This is my third successive report of the Annuity Board to the Eastern Association. In many respects this is the most encouraging of the three.

We now have 35 persons enrolled in at least one of the Board's Plans. This number includes 33 pastors, one Educational Director, and our Associational Missionary. This is a good increase.

During 1968, neither inflation nor the economy showed any evidence of a slow down. Even as late as the second quarter of 1969, there was no sign of a leveling off by the inflationary trend. The cost of living rose 4.7% pushing the Consumer Price Index to a record 123.7 in December, 1968. This was the greatest increase since 1951.

This inflationary trend continued to affect the buying power of everyone, including the retired.

HIGHLIGHTS OF 1968

1. 3,451 new members in the Southern Baptist Protection Program.
2. 23,714 Members now participating in Plan "A", 1,538 more than in 1967.
3. 18,086 churches providing protection for their pastors.
4. 145 agencies providing protection for 9,894 employes.
5. $173,863 given in relief grants.
6. $6,543,169 paid in total relief and protection benefits.
7. 3,106 applications for Health Benefit Plan, 1,677 net gain.

8. 790 applications for Life Benefit Plan, 134 net gain.

BIBLICAL RECORDER REPORT

The following remarks are shared with us by J. Marse Grant, Editor of the BIBLICAL RECORDER.

"The year of 1969 has been one of the most significant in the 136-tear history of the BIBLICAL RECORDER. True, we cannot point to any spectacular gains in circulation but each week the RECORDER is read by almost 300,000 North Carolina Baptists in some 90,000 homes. For almost a century and a half the RECORDER has played a vital role in the life of our convention and State, and it will continue to do so.

"Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark - an historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

"The first half of this year, of course, saw much of the news interest focused on the General Assembly. Possibly more than any other assembly to date, this year's session was of vital importance to Baptists and other Christians across our state. Because of this importance, the RECORDER gave special emphasis to reporting moral and social issues being considered by the legislature. Our readers responded in marvelous fashion, making the impact of the church felt throughout the state.

"Whenever something significant was happening among North Carolina Baptists, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of the trust North Carolina Baptists have placed in us.... We will continue to speak the truth in love."

Baptists everywhere are facing the challenge of ministering to a complex, and often boisterous society. To do this we cannot proceed with eyes and ears isolated from conditions which exist.

Perhaps no other Baptist publication expends so much to provide Baptists the necessary material and insight into the problems of our day, than does the BIBLICAL RECORDER. Not only should every Baptist home received the RECORDER but every Baptist should digest it.

COOPERATIVE PROGRAM REPORT

When the word "stewardship" is used, most of us begin to see dollar signs $$$$$!! If we think of stewardship only in terms of money, we miss the mark in our concepts. Stewardship means responsibility - responsibility in all areas of life. We are stewards or trustees of our time. our talents, and our abilities. The Christian attitude is that we are responsible human beings, and must one day give account to our Maker for all that God provides.

The worship of God with tithes and offerings through our churches provides a way for expressing our gratitude for His blessings.

Those of us who are priviledged to leadership are dedicated to teaching and training in the Biblical doctrine of stewardship and try to give our best to this ministry.

The Cooperative Program is the main channel for supporting World Missions, Christian Education, Social Services and an ever expanding State Missions program. The goal for these causes this year is $6,750,000.

A special State Missions Offering goal of $25,000 is a challenge to all Baptist Churches. Other approved special offerings - The Lottie Moon Christmas Offering, the Annie Armstrong Easter Offering, the Heck-Jones Offering, the Baptist Hospital Offering on Mother's Day, the Thanksgiving Offering for the Baptist Children's Homes, Christian Education of Fathers' Day and the offering for the Homes for the Aging in February - all combine to an amount that will approach ten million dollars in 1969.

As dedicated Christian stewards, will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget.
2. To increase the percentage of the offering plate dollar given through the Cooperative Program.
3. That each of our churches will give regularly a worthy percentage of each offering plate dollar, through the Cooperative efforts of Baptists to meet the needs mentioned in this report.

SUNDAY SCHOOL REPORT

The Sunday School is the heartbeat of the total Church Program. The records show that the vast majority of those accepting Christ and joining the Church are those who have first been members of the Sunday School. The Sunday School is the major teaching organization of the Church. When a Church has a Sunday School that is really enthused and on fire with eagerness, it is a Church which is moving forward with real service for our Lord.

As we realize the great part that Sunday School plays in the total program of the Church, it ought to cause us to be more interested in having the very best Sunday School possible.

We have a find group of Associational Sunday School workers. They are dedicated and are trying to serve the Lord. Many times, Churches fail to realize that these workers are available to come and meet with your teachers in planning sessions. If there is a department of your Sunday School that is weak and you would like for the Associational Worker of that department to come and meet with the workers of that department for a discussion of ideas to better the work, just let us know. We want to serve you.

We have not had an Associational Sunday School Clinic as such this past year. Our workers met and discussed the possibilities. Your Associational Sunday School Superintendent went to Raleigh, and talked with Mr. Burrell Lucas, the State SS Dept. Secretary. After careful consideration, we felt that the September 9 Sunday School Convention which met at First Baptist, Clinton would cover most of the material that would be covered in a Clinic. Therefore, we threw our efforts behind that meeting. We are happy to report that a very large group from our Association attended that meeting. It was very informative and helpful.

Church. We had a meeting in the morning for those who preferred a morning Clinic, and then another one that night for those who preferred a night meeting. It really paid off. Our attendance was much larger than it was last year. Our VBS Leaders went to the State Clinic at Wingate College for their Training Session, and came back enthused to lead a very successful Clinic for our Association.

Our Associational Sunday School Workers are planning to try and hold some Clinics in the Association this coming year. As these Clinics are held, I hope that you will make every effort to attend and to get the teachers and officers of your Sunday School to attend.

Pray for us as we try to serve you.

MISSIONS COMMITTEE REPORT

The Missions Committee has met quarterly this year. We have sought to work with our Superintendent of Missions, Mr. J. Henry Simpson in supervising the mission activities of the Association.

It might be said that our work has been two-fold. We have sought to "strengthen the hands" of our Superintendent of Missions by encouraging the Association to make life more comfortable and livable for him and his family. A recent step in this direction was to recommend that the Association assume full financial responsibility for an air-conditioning unit which Mr. Simpson had purchased. We appreciate the fact that this recommendation was accepted. Too, we trust that Mr. Simpson has felt the encouragement of our support and our prayers.

Also, working with Mr. Simpson, we have sought to be informed of and correlate the various mission projects carried on within the Association. We did this not only that we might give encouragement to these projects but also that we might inform you concerning these efforts by the churches of the Association. Did you know, for instance, that a group of Baptist men conduct regular services in the prison camp at Kenansville? Possibly you didn't, but you need to know of such efforts that you might stand behind them with your prayers and support. Sunday Schools and worship services are being conducted in Rest Homes in the area. A druggist in Clinton is carrying out a ministry to the deaf. We believe that listing such efforts and informing the Association of them is a step in the right direction. Please stand behind these efforts with your prayers and encouragement.

We have not begun any new mission projects; we have only sought to encourage support for those already begun. However, discussion has gone on in the committee for two years concerning a possible need for work among the migrant workers of the area. With the evident increase in the number of such summer workers in our area the need for such a ministry becomes more apparent.

RECOMMENDATION:

That we resume the practice of requesting the churches to pay for their supply of minutes desired each year at $1.00 per copy, and that a check for the same accompany the church letter when it is sent to our Associational Clerk.

We do not believe that this would work a hardship on any church, and it would provide additional income in helping to meet our budget each year.

YOUTH CAMP REPORT

We were unable to have a Youth Camp this year due to a lack of campers. Preparation had been made for operating a camp. The Youth Camp Committee had met in the necessary planning meetings to get everything in order to operate the camp. The Director had made all necessary plans and was ready to begin the operation of a Youth Camp. All Staff Members and Counselors had been chosen. Everything was ready.

At the last minute we had to cancel the Camp. In order to use the facilities of Southwood College we had to have at least 150 campers. To get room and board at the College for $12.00 per week we had to have 200 campers. We had at the time of cancellation of the Youth Camp 140 signed up for Youth Camp.

I must say this final word. If Eastern Association had responded as well as Bladen we would have gone over the top. The larger churches of our Association did not support the cause this year as they have in the past. We regret that we could not operate a Youth Camp but when we are seeking the answer to why we could not have one it might pay us to reflect a little on what our individual efforts were as to making it possible for these young people. Your committee will not accept the responsibility for this failure. They did all they could possibly do but help from our churches was not sufficient.

Respectfully submitted,
Jasper Hinson, Chm. of the Comm.

RESOLUTIONS COMMITTEE REPORT

In as much as the Lord has so wonderfully and graciously blessed the 142nd Annual Session of the Eastern Baptist Association. Be it resolved that we express our heartfelt gratitude to those who have made this meeting such a meaningful occasion:

1. To the Calypso Baptist Church on the first day assisted by the Faison Baptist Church and the Popular Grove Baptist Church; and Garland Baptist Church on the second day assisted by the Ingold Baptist Church and the Center Baptist Church and their pastors, for the gracious way they have served as our Hosts for the sessions of our Association.

2. To the Program Committee for the excellent and efficient program which they arranged. It was equally inspiring and informing.

3. To our Moderator, John Anderson Johnson, and our Clerk, M. S. McClain who led us through each session so capably.

4. To the distinguished personnel who appeared on the program both from our own association and from our denominational leaders. Especially for the inspiring and challenging messages by Norman Aycock, Dr. O. T. Binkley, and Missionary Calhoun Johnson.

5. To our Superintendent of Missions, J. Henry Simpson, Jr. and his wonderful wife for their leading us through another year and for their love for us.

6. To every Pastor, Messenger, Alternate and Visitor who attended the Annual Meeting this year. For their cooperation, warmness, love, and prayers during these days of Change and Challenge. We urge that the truths and insights gained during the two days be made a living reality in our own lives and in the Churches from whence we came and to which we now return, ready to accept our responsibility of living the Spirit of Christ in Belief and Relevance.

Church Covenant

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Savior, and upon the profession of our faith, having been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Savior. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Savior - to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

SUPERINTENDENT OF MISSION REPORT

Our Convention theme is "Living the Spirit of Christ in Ministry and Outreach" This is a timely and challenging theme as we follow through with the "Changes of the 70's". The purpose behind these changes is to provide better Bible Teaching, stronger training programs and a more effective outreach for the unsaved. Yet all of this will count for naught unless the Spirit of Christ motivates us to live for Christ daily and in sharing Him with lost, needy souls about us. Paul says, "If any man have not the Spirit of Christ, he is none of His"

The following information reveals something of the activities of your Superintendent of Missions during the year:

Miles traveled	20,342
Sermons	78
Ordinations	2

Messages	4
January Bible Study	1
Church Music course	1
EASTERN LIGHTS mailed	3,480

Other activities: enlisted associational leadership; assisted 2 churches with music; led singing in two church revivals; held 392 individual conferences; 115 group and committee conferences; served as Sunday School Visitor-Trainer; prepared Book of Reports and Calendar of Activities.

Mrs. Simpson taught 30 mission studies (8 outside Association); led 4 conferences; brought 25 messages; taught 1 January Bible Study; taught 20 classes (Old Testament and New Testament Survey Course) at James Sprunt Institute, and is presently teaching a course in Comparative Religions.

Thank you for your prayers and other support. We have had our best years in contributions from the churches. For this we are grateful. As we begin our sixth year with you, we covet your prayers as we continue to serve the Lord through the churches.

Respectfully submitted,
J. Henry Simpson, Jr.

EVANGELISM REPORT

In associational evangelism clinics, a strong emphasis was placed upon: Shaping the 70's through Evangelism, Strength for living Revivals, and Youth Evangelism. Some churches across the State experienced outstanding revivals as a result of dependance upon the Holy Spirit, genuine prayer, careful planning, and involvement of adults and youth in witnessing.

All Christians need to accept the challenge of Acts 2:32 - "This Jesus hath God raised up, whereof we all are witnesses." In his book, "Exploring Evangelism," Mendell Taylor reminds us of this tremendous truth: "When Christians fail to evangelize, the very existence of the church is threatened. Evangelism is indispensable in the life of the church." All Christians can reveal to the world a greater concern for evangelism and total Christianity.

New materials on lay witnessing written by Dr. Kenneth L. Chafin and other SBC leaders will be available by May 1, 1971 or later in the Baptist Book Stores. Training clinics on the use of these materials for pastors and laymen will be held in all associations during 1971.

An Evangelism Research Seminar has been planned at Southeastern Seminary, Wake Forest for October 5-6, 1971. This Seminar will include an in-depth study of five papers related to evangelism.

The 25th Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on February 1-2, 1971. The closing session will be a Youth Evangelism Night in Greensboro Coliseum which seats 16,000, with Dr. Leighton Ford of the Billy Graham Association as the featured speaker. Pray for this special session that many youth will make genuine decisions for Christ.

In the Eastern Baptist Association, we have baptized into our Church 172 during the past year. This should challenge us to do more in reaching the lost in the years that lie ahead.

Respectfully Submitted,
R.A. Thompson

BROTHERHOOD REPORT

Two of the outstanding events of our Associational Brotherhood work this year was a Men's Rally held at the Warsaw First Baptist Church on Monday Night, February 16th, and a Men and Boy's Rally held at the Rowan Baptist Church near Clinton on Monday night, September 21st.

Our attendance at both meetings was very good, although not as good as could have been.

We had a very good program at both meetings, and the program was enjoyed by all who attended.

We now have only fourteen out of forty churches that have a Brotherhood that is active in the work.

Your Director has attended meetings with groups of men in several of our churches, and spoke to several groups and furnished music for several meetings. He also attended our Baptist Men's Convention and R.A. Congress held in Fayetteville on March 20th. He also attended a Regional Brotherhood Planning Meeting in Clarkton.

We plan to have an Associational Leadership Workshop on November 2nd at which time we will be trained by a group of Brotherhood State Workers to do our job better than ever before. The place and hour will be decided at a later date, and we will notify every church of this time and place. Nov. 2 - 7:30, Warsaw, First

My prayer is that God will give us more dedicated working men in our Brotherhood, in our Association and that His name will be glorified through our work.

Respectfully Submitted,
Charles Lee Pope
Brotherhood Director

CHRISTIAN EDUCATION REPORT

The seven North Carolina Baptist Colleges had enrolled last year more than 600 students who have dedicated their lives to full-time Christian service. The largest number of these young people will become pastors, missionaries, directors of religious education, directors of church music, chaplains, denominational workers, and Christian college teachers.

The North Carolina Baptist colleges are a part of a great Convention-wide program for Christian higher education. There were enrolled in these Southern Baptist colleges and universities 7,070 who have chosen to give their lives to the service of the denomination. These include 3,671 ministerial students, 863 home and foreign mission volunteers, 610 church education volunteers, 853 church mission volunteers, and 1,081 who have volunteered for some category of Christian vocational service.

COOPERATIVE PROGRAM

Outside of student charges, the Cooperative Program continues to be the largest single source of annual income for our colleges. The North Carolina Baptist colleges are grateful for the generous support they have received during the past year: Campbell College - $175,583; Gardner-Webb College - $166,804; Mars Hill College - $252,840; Meredith College - $252,840; Wake Forest University - $430,178; and Wingate College - $184,362.

BAPTIST YOUTH CORPS

The Baptist Youth Corps has moved into its second summer of operation. This joint venture between the Baptist colleges and the Church Training Department has been a highly profitable venture for both churches and colleges. The interest in this program has been demonstrated by the large number of applications this year.

In addition to the Baptist Youth Corps, Baptist College students are working in a number of other areas and programs: Summer Assemblies, Brotherhood Department, Woman's Missionary Union, Vacation Bible School, Audio-Visual Aids, Department of Work with the Deaf, Town and Country Department, and Interracial Cooperation Department.

BAPTIST YOUNG PEOPLE ARE ANXIOUS TO SERVE

Many Baptist young people want to participate in the life of the church and the denomination. These students are anxious to be used. Weekend revival teams have been highly successful. Local churches can help by contacting both teams and individual students in offering them opportunities to serve.

BAPTIST COLLEGE DAY

Now is the time to begin preparation for the observance of Baptist College Day on Sunday, June 20, 1971. Many churches include all special offerings in their budgets. Others take the special offerings on designated days. Free bulletin inserts, bulletin covers, and offering envelopes are made available to all Baptist churches in North Carolina who wish to use them on Baptist College Day. The Baptist College Day offering helps to meet critical financial needs.

COUNCIL ON CHRISTIAN HIGHER EDUCATION

The Council on Christian Higher Education continues to serve as a coordinating agency of the Baptist colleges and the Baptist State Convention. Special material is available in the Council office concerning all of our Baptist colleges, and is available to churches and individuals upon request. This material may be obtained by writing the Council on Christian Higher Education, 301 Hillsborough Street, Raleigh, N.C. 27603.

The Council office also cooperates with local churches, pastors' conferences, and associational meetings in furnishing speakers on Christian Higher education.

Visitors from local churches are always welcome in the Council office.

CHURCH TRAINING REPORT

This year has passed so quickly in Church Training. Now the days of "More Flexibility and Greater Opportunity" are upon us, with new literature and methodology. In general, this has been a good year for Church Training in Eastern Association.

First of all, "M" Night was a fine start with seventeen churches represented, and nine pastors, eleven Training Union directors with an overall attendance of 244 present at the Island Creek Baptist Church, November 24th. Highlight of the evening was the

message brought by Rev. C. Douglas Farmer of Winter Park Baptist Church, Wilmington, N.C.

Our tournaments held at Turkey Baptist Church, April 12th, with attendance of 48 had only a few participants. Eight churches were represented, with five pastors, and four directors. There were three Adult Bible Readers, one Young People's Speaker, one Intermediate Sword Drill participant, and two participants in the Junior Memory Work.

Our Youth Night was held with Warsaw First Baptist with fifty in attendance.

Your Director had the opportunity to attend several meetings during the year. First the Regional Workshop for "Shaping of the 70's" held in Goldsboro. Then coming back to lead the Workshop in Church Training for the Association in the Warsaw Church. Most of our churches were represented at this meeting during the two nights.

Your director then had the privilege of teaching the book "Adults in Church Training" at the Poston Church for four nights. Several of our churches were represented there.

Your leaders will soon have planning meetings for this year's program. You will be informed of these shortly.

May I urge each of you to stay up to date with the new materials that are available now for a more flexible program for you local Church Training needs.

Thank you so much for your prayers and support in carrying on the Church Training Program. I ask that you give your cooperation to your leaders in the coming year, that the Church Training may be more effective in our Association and local church and that the Lord may be glorified.

Phillip Pierce

WOMAN'S MISSIONARY UNION REPORT

Eastern Association Woman's Missionary Union has attempted during the past year to fulfill its fourfold purpose: to provide inspiration, Christian fellowship, leadership training for the WMU members in the local churches, and to promote and undergird our associational youth organizations.

Every educational organization in a church has a teaching task, but the content to be taught is distinctive. WMU's curriculum includes the missionary message of the Bible, the progress of Christian Missions and contemporary missions. In teaching missions, WMU has taught to lead church members to develop a growing understand of God's missionary purpose and to respond to the purpose in a personal COMMITMENT and OBEDIENCE to God, through His Spirit, God has directed the work of our Association and for this we are grateful.

As we review activities of the past year, we note with gratitude that in our Association we had unusually good response to our Interpretation Clinics held in February to outline the new changes taking place in all our church grading and literature. All but two of our churches were represented in these clinics, so ably led by Mrs. J.H.B. Maynard.

Last fall our Leadership Conferences were held with the Mt. Olive Church with record attendance. Miss Kathryn Bullard of our state WMU office assisted in the leadership conference, giving special direction to the activities of the various directors. Other associational conferences were conducted by our various directors and leaders. Encouragement and information is an important part of part of this workshop held each year in the fall.

Executive council meetings have been held each quarter, these planning meetings

have been well attended. Various leaders in our area have been included in these luncheon meetings, and detail planning has gone into the work of our Associational activities.

In April our Annual Associational Meeting was held with the Immanuel Church. Miss Bernice Popham of the WMU office was the special guest. Miss Popham led in the discussion of the new plans and emphasized the importance of involvement of all of our women in activities of the local church and the place of the church in the community. 290 people were registered for this meeting with a goodly number of our pastors in attendance.

In May the annual G.A. Rally was held at the Magnolia Church. Mrs. Jane Kaleel and her leaders planned a very helpful program of activities for the 200 girls who with their leaders were present for this meeting. Mrs. Clahoun Johnson was the special missionary speaker; she challenged the girls to consider God's will for their lives and reminded mothers that God works through them in their homes to make an atmosphere of missions.

Summer activities were many and varied. Mrs. Kaleel, our GA Director, served on the staff at Caswell for World Missions Week; your WMU Director went to Hawaii to spend the summer doing WMU work and other related work under the sponsorship of the Home Mission Program; a Sunbeam Day Camp was held on August 29 at the Warsaw First Baptist, under the directorship of Mrs. Charles Hinson, our Associational Sunbeam Director. About 35 were in attendance, and the children had a delightful day as they took an imaginary trip through Hawaii, Africa and entered the world of music, as well as art and handcrafts.

WMU Leadership attended the Workshop at Camp Mundo Vista in preparation for the fall leadership conference.

We thank God for the women of Eastern Association, whose interest and concern leads them to work in His Kingdom. Under His guidance, may we continue to follow His command to "Go into all the world, and preach the Gospel to every creature." (Mark 16:15).

Respectfully Submitted,
Mrs. H.O. Lanning

BAPTIST FOUNDATION REPORT

The fact that the North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years, is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from $350,000 to more than one million dollars. This includes trust funds and real estate.

THE FOUNDATION advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Cooperative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Homes for the Aging.

SPECIAL EMPHASIS ON TRUSTS AND WILLS

THE FOUNDATION has again this year put a major interest on the making of wills. Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

THE FOUNDATION has also an opportunity to counsel with many people concerning their own will, and in some instances has provided the information and direction

necessary for inclusion of Baptist causes in their will.

THE BAPTIST FOUNDATION has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.

Garland P. King

HOMES FOR THE AGING REPORT

For these nineteen years God has blessed our Homes for the Aging in North Carolina, but this has been a year of special blessings. We acknowledge God's goodness and thank Him for every manifestation of His love. Many are grateful to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes - Resthaven, the Hayes Home, and the Nursing Care Unit, in Winston-Salem; The Albemarle Home in Albemarle; the Hamilton Home in Hamilton; and the Yanceyville Home, in Yanceyville.

An urgent appeal was made to our Baptist people before the offering in February to help reduce the alarming deficit in the operation of the Homes. The plea was heard and an offering of $168,349.34 was received from July 1, 1969 through June 30, 1970 from our Baptist Churches. This has exceeded all other offerings in previous years. Our Association contributed $1,923.92 during this period. We want to urge our people, however, to continue to give leberally to our Homes as we try to move forward in developing and expanding this vital ministry to the aging.

Of great interest in our development program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North Carolina, have offered a gift of $80,000.00 to the Home for this purpose, contingent upon the Homes raising an additional $80,000.00 by September 1, 1970. If this purpose is fulfilled, 10 to 12 additional rooms would be made available, with accomodations for 20 to 24 people, and bringing our total nursing care capacity to 80 beds.

There is much security for an older person in Christian nurture and love, offered in our Baptist Homes. We shall continue to look to God, and to our Baptist people, on behalf of these to whom Christian love means so much, in faith that the need will be supplied.

Respectfully Submitted,
Ralph N. Culler

AMERICAN BIBLE SOCIETY REPORT

Scripture distribution throughout the United States totaled 76,216,553 Bibles, Testaments, portions and selections, a 47.6 per cent increase over 1968. During 1969, a volume symbolizing the one-billionth copy of Scriptures distributed by the ABS since its founding in 1816 was presented to President Nixon.

Scripture distribution throughout the 150 countries and territories received annual assistance from the American Bible Society showed an estimated increase of over 17 per cent.

403,143 Scriptures in special formats (Braille, records, tapes) were provided for the blind, a 36.8 per cent increase over 1968.

During 1969 almost two out of every three men and women serving in the Armed Forces of our country were reached with a copy of Scripture. A total of 2,224,844 Scriptures were donated through chaplains, a 3.3 per cent increase over the number distributed in 1968.

More than twice as many contacts with college campuses were made in 1969 than in 1968; included were 213 theological schools and Bible colleges; 915 interdenominational units on college and university campuses; 609 college and university language departments and 1,060 participants in a Campus Evangelism Seminar.

More than 70 denominations, communions and church agencies contributed to and cooperated in the work of the Society, supplying 16.1 per cent of its 1969 budget.

The ABS distributed nearly two million sheets of LOVE seals to communicate the ancient Biblical truths "Love is Kind," "Love is Patient," "God is Love," "Love is Eternal," and "Love Never Gives Up." Their popularity swept the nation and encompassed all generations. Young people and college students entered into the campaign with particular enthusiasm.

Almost four million copies of "Good News for Modern Man," the ABS's New Testament in Today's English Version were distributed in 1969.

Work progressed on the translation of the Old Testament in the Today's English Version, with 1975 set as the target date for publication. Translators' Institutes were held in India, Sierra Leone, Ivory Coast, Uganda and Taiwan.

Protestant and Roman Catholic pastors across the country challenged their congregations to "Read the Good News for a Change." Several hundred church groups enlisted the help of wonen's clubs, Boy Scouts, mayors, editors and businessmen in the sharing of Scriptures and bookmarks with their neighbors, going even beyond the streets into prisons and boys' correctional schools.

During 1969, 1,160,362 gifts were received in support of the American Bible Society. It is hoped that many more people remembered the Society in their prayers.

BAPTIST CHILDREN'S HOMES REPORT

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-five years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life, and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

Baptist child care and family services for Eastern North Carolina are coordinated through the office of the Superintendent of Kennedy Home. The main campus, located on a 1200 acre farm five minutes west of Kinston, has twelve cottages which accomodate from ten to twelve children each. The campus at Odum Home and regional offices in Raleigh and Fayetteville are additional points through which these services are administered. An area of great growth in recent years has been the increase of foster homes from one to fourteen in number.

Recent construction has provided two of the most modern brother-sister residences plus two individual houses for staff families. Currently being completed is a new infirmary of modern design and a new multi-purpose recreational building.

The most exciting development for this section is the TEN STAR BUILDERS PROGRAM, which proposes to raise two and one-half million dollars for immediate and long-range expansion of child care and family services in the East. This will permit the renovation or replacement of old facilities and will result in a greater quality and variety of services.

The contribution of our Baptist people through the Cooperative Program and Thanksgiving offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy of the blessings of our Lord. We covenant you to face the future as we have the past; to offer Christian nurture to children in distress in the name of Christ our Saviour and Lord.

BAPTIST HOSPITAL REPORT

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved equipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of strokes and brain tumors. New equipment for the Intensive Care unit includes an instrument which is attached to the patient and measures his heart action and blood pressure; if either varies from a safe range the machine signals the attendant immediately.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces. When a doctor reserves a bed for a patient the admission office contacts the patient to obtain the needed information including the type and amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all the patients who need financial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all sponsoring agencies paid. North Carolina Baptists provided $565,000 of this amount - $237,000 through the Cooperative Program and $328,000 through the Mother's Day Offering. To date this year, thirty-six churches in our Association contributed $3,037.56 of the Mother's Day Fund, thus helping the hospital keep faith with its purpose.

Though our Mother's Day offerings have grown, they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

ANNUITY BOARD REPORT

Since 1918, the Annuity Board has paid $73,717,267 in benefits to Southern Baptist ministers, agency and church employees, widows and children through the programs.

For the fourth consecutive year, the Annuity Board has mailed a "13th Check" to all recipients of life retirement benefits. The extra check, amounting to 13% of the annual benefit, was the largest to date.

1969 was one of the most successful years in the Board's history. Here are the highlights of the Annuity Board for 1969.

A minister, church or denominational employee can create a protection program with the Annuity Board that will cover his needs. Many churches are helping by paying dues in the retirement, health, and life insurance plans. Information on any part of the Annuity Board's programs may be obtained from the state convention office, or from the Annuity Board, S.B.C., 511 North Akard Building, Dallas, Texas,75201.

The Eastern Association, and 35 churches are participating in the Protection Program as of June 15, 1970.

BIBLICAL RECORDER REPORT

More than ever before, North Carolina Baptists need a dependable source of information. It is difficult these days to get an honest and accurate report on important issues.

In some cases, half truths and rumors are circulated, some of them designed to embarrass and ridicule Baptists. Since it takes so long for truth to catch up with error, some of these impressions in people's minds are never corrected. This makes progress and unity more difficult.

For 137 years, North Carolina Baptists have had the BIBLICAL RECORDER as a dependable source of information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love.

In the past year, the RECORDER was pleased to have had a part in the election of Dr. Carl Bates of Charlotte as president of the Southern Baptist Convention. A RECORDER editorial endorsing him was considered a factor in his election on the first ballot at Denver. It is an honor to have the convention president from our state. This is just one example of the influence the RECORDER has had in the past year.

Looking to the future, the RECORDER promises to continue its fight against liquor by the drink, even in the face of strong opposition from those who are pushing for a greater flow of liquor in our state. If your church is not sending the RECORDER to every home, try doing this for the coming year so your members can receive the full story

on the 1971 General Assembly.

Your church would not think of trying to carry out its mission without literature devoted to the Sunday School, Church Training, WMU, Brotherhood and all other church organizations. The RECORDER is just as important and should be in the budget just as this literature is. The cost is only 4¢ a week, a penny less than a post card. Your church is the loser by not taking this step. Won't you do it this coming year?

Respectfully submitted,
Mrs. J. Henry Simpson, Jr.

COOPERATIVE PROGRAM REPORT

Hundreds of churches, including every size church, increased Cooperative Program giving last year. One thousand and seventy-three churches increased Cooperative Program giving by ten per cent or more over the previous year. This increased sharing will enable all to have a greater part in the healing of the sick, feeding the hungry, clothing the naked, visiting the imprisoned and preaching the gospel to the poor. Congratulations are in order to every individual and church making this ministry possible.

Helping churches advance in stewardship and missions is one of the basic aims of your Stewardship-Cooperative Program Chairman, General Board member, Superintendent of Missions, Moderator, and the Division of Stewardship Promotion of the Baptist State Convention. Do you need help with Annuity and Insurance for your pastor and/or other staff personnel, Weekend Stewardship Revivals, Growth in Christian Stewardship Program, the Forward Program, Study and Preaching Program, Tithers Enrolment Week, Planning a Budget, Youth in Stewardship Program, Family Stewardship Program, Visual Aids, Communications, Developing a Special Stewardship Program, Principles of Family or Church Budgeting, Setting up Better Financial Record Keeping for your church or leaflets and other information on the Cooperative Program, State Missions and Family or Church Finance?

The Cooperative Program is the main channel supporting World Missions, Christian Education, Social Service, and ever increasing State Missions programs. The goal for these causes this year is $7,000,000.

As dedicated Christian stewards will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget?
2. To increase the percentage of the offering plate dollar given through the Cooperative Program?

Your associational officers and your Division of Stewardship Promotion Personnel are delighted to offer friendly service to aid your stewardship program, Cooperative Program sharing, visual aids or annuity requests. On your invitation we stand ready to assist in every possible way.

SUNDAY SCHOOL REPORT

The Church with a thriving Sunday School is a growing church. And, the Church with a stale Sunday School, is a stale church. The Sunday School program can pretty well act as a thermometer for the Church.

The purpose of the Associational Sunday School Program is to help that thermometer register a few degrees warmer for our Lord. You and I know that the Sunday

School is the major teaching agency of our Church. We must strive hard to keep that organization moving forward for Jesus.

We have a fine group of dedicated Associational Sunday School workers who stand ready and willing to aid any Sunday School who needs them. Call as you have need.

The major work of the Associational Sunday School Department this year has been in trying to prepare for the 70 Onward changes. Your Associational Sunday School Superintendent taught a clinic in the Warsaw First Baptist Church on a complete presentation of the New Materials and the New Emphasis for the 70's Program. This clinic was held on February 23 and 24. We had a great turn out. There was at least one representative from every church, except three. Many churches had several representatives. There was a make up clinic held at the Mt. Gilead Baptist Church on May 6. Your Associational Sunday School Superintendent had attended a two day school in Goldsboro in preparation for this study on January 19-20.

There was a follow-up program adopted in our Association. We had five "Visitor-Trainers" who attended a special training session to prepare themselves to assist the churches in setting up their Sunday School Program for 1970-71. Each church in our Association was contacted and most received some help in establishing the new year's program.

It is the sincere desire of the Associational Sunday School Workers to help any School that needs their assistance. If you should have any program with the new materials, please feel free to call upon us for help.

The Associational Vacation Bible School Clinic was carried out in a great way this year. Rev. Anthony (Tony) Gurganus replaced Rev. Tommy Deese, who had been called to labor in another association, as Associational VBS Superintendent. Rev. Gurganus did a great job with the good help of those on the Vacation Bible School Staff. The Staff members attended the Bible School Clinic at Wingate College on January 5-7 for training. They came back filled with enthusiasm to lead the Associational Clinic on April 21 in the Warsaw First Baptist Church. There was a morning and evening clinic held for the conveniences of those who would be attending. There was good participation.

We urge you to pray for your Associational Sunday School Workers as they try to serve you.

MISSIONS COMMITTEE REPORT

The Missions Committee has held regular meetings this past year. We have discussed several areas of mission possibilities and work in our area. Our discussion and efforts have primarily centered around two areas - a ministry to migrants and the prison camp in Kenansville.

With the ministry to the migrants in mind, our Superintendent of Missions, Mr. Simpson, led in the planning of a Migrant Ministries Conference in our Association, which was held in the First Baptist Church on January 5. The conference was led by Mr. Ernest Upchurch, Secretary City and Metropolitan Missions Department, North Carolina Baptist Convention. There were around 20 pastors and lay people in attendance. Mr. Simpson also wrote for information on migrants in our area which information was helpful. By way of practical effort in this direction, the GA's of the First Baptist Church of Clinton put on a Vacation Bible School among the migrants last year, and attempted the same this year. The effort failed this year because of lack of interest and cooperation by the migrants themselves. Though little has actually been done as yet, we believe these efforts may spotlight a needy area in our Association and lead our people toward doing more about it in the future.

With relation to the prison camp in Kenansville, our efforts have been made primarily to get some help for Brother Kenneth Johnson and those working with him in the prison work. There have been some offers of help, but too little help has been forthcoming from the churches. It is hoped that more of our churches may get the burden of this good work on their hearts and come forth with more assistance of a practical nature. One bright spot here is the fact that an anonymous donor gave a supply of Bibles as gifts for the prisoners who desired them. For this worthy contribution we are all grateful.

Other efforts by this committee relate to the BSU work in Mount Olive Baptist College, which is sponsored by the Mount Olive First Baptist Church. Believing this to be a worthy work the Missions Committee recommended that the Eastern Baptist Association encourage this work, and give the financial assistance requested by the pastor of the Mount Olive church. Last year the Association helped in the amount of $200.00; this year the aid was $125.00.

Our Superintendent of Missions is always with us in our meetings, and we have sought to work with him in his varied ministry. Mr. Simpson has followed a busy schedule this year, and his ministries in the Association have helped the churches to work cooperatively, harmoniously and effectively in carrying out our Baptist mission in our state, nation and the world.

J. Huber Dixon

REPORT OF RESOLUTIONS COMMITTEE

Be it gladly and gratefully resolved:

That we sing praises to God for each of His shepherd-servants who have done the overseeing and superintending work of this Association since we last met. That to our Moderator, John A. Johnson, and Vice-Moderator, Norman Aycock, and to our Clerk M.S. McLain and to our Superintendent of Missions, J. Henry Simpson, and his lovely wife and co-laborer, Mrs. Simpson, and to our Program Committee, and to each other Shepherd-servant who has had a part in the work of this Association in any capacity, we express our heartfelt gratitude.

That we sing praises to God for His gracious servant-hosts at the Island Creek, Shiloh, and Grove Park Churches, who prepared a table for us. And not only so, but gave us a gracious welcome as we used their outstanding facilities.

That we sing praises to God for "the tie that binds our hearts in Christian Love" in this Association, and very particularly for the wonderfulwarm fellowship that we have experienced in this annual session of it.

That we sing a song of prayer for the family and loved ones of those of our beloved dead who have "walked through the valley of the shadow of death" -- that He may make their hearts "comfortable" with His great rod and staff.

That we sing a song of prayer for God to lay his great staff also upon the war in Vietnam, and upon all the hidden wars elsewhere, and to guide them into the pathway of His own will of peace.

That we sing a song of prayer for the President of our beloved country that he may know the true wisdom that comes only from the King of Kings and Lord of Lords.

That we sing a song for prayer for the leadership of the Holy Spirit as we seek his will in the days of the year that lies at our doorsteps. And that he guide the leadership of our great Southern Baptist Convention to a unity and harmony of cooperating wills to the end that His will may be accomplished through us.

That we sing a song of prayer for the president of our convention, Dr. Carl Bates, that he may have an overflow of the grace of our Lord and Saviour Jesus Christ as he leads our convention through these perilious times.

"Blessed Jesus, blessed Jesus,
Hear, O hear us when we pray.
"Blessed Jesus, blessed Jesus,
Thou hast bought us, Thine we are.

"Blessed Jesus, blessed Jesus,
Thou hast loved us, love us still."

Amen.

Gratefully and gladly submitted,
Jimmy Johnson
